ENJOY PEACE OF MIND AT HARVEST TIME

DEPEND ON A JOHN DEERE NO. 12-A Combine

Owning a John Deere No. 12-A Full-Width, Straight-Through Combine is your best protection against crop losses at harvest time. Practically every harvest hazard has been whipped by the angineers who designed the No. 12-A.

- Low-growing or crawling crops . . . tall, rank, weedy, or down and tangled crops . . . large, brittle, or tiny seed cropsthey are all the same to the greedy No. 12-A. Just as long as there's grain or seed in the heads, you can bank on the No. 12-A to save it. That's why owners everywhere say, "We really enjoy peace of mind at harvest time with a crop-saving John Deere No, 12-A Combine."

Stop in soon for complete information on the No. 12-A Combine.
