Local Men Charged With Crimes Here And In Pasquotank

As a result of an investigation conducted in Elizabeth City by Police Chief W. C. Owens and SBI Agent Walter Spence, three Perquimans County men, all Negroes, are facing charges ranging from larceny, breaking and entering to possession of a still.

John Henry Phillips was taken into custody by the officers Monday afternoon at a shop he was opening in Elizabeth City, for possession of 15 cases of beer for which he had no license, and a number of punch boards. A large quantity of cigarettes was noticed in the place and this led to further investigation of a robbery of a wholesale establishment. Phillips and Jacob Martin of Elizabeth City gave officers information concerning this robbery, and also sale of cigarettes to at least two places in Hertford.

On Tuesday the officers, with Sheriff M. G. Owens and Policeman W. T. Miller, searched the home of Phillips and found a stolen refrigerator, owned by Fenton Britt, and taken from his cottage at Harvey Point last summer, and also a complete set up for making liquor.

Continuing their investigation of the cigarette theft, the officers went to the Savoy on Market Street, where the operator, James Everett, was taken into custody for possession of non-tax paid liquor and what was believed to be part of the stolen cartons of cigarettes. Everett is being held for a hearing in the Perquimans Recorder's Court next Tuesday, and was released upon a \$100 bond.

Another Hertford man was taken into custody and questioned regarding the purchase of some of the stolen cigarettes, but this individual denied any knowledge of the transaction. Phillips stated in front of the suspect that he, along with another man, took the cigarettes to the man's store and left without the loot.

Chief Owens and Mr. Spence reported they greatly appreciated the cooperation given them by Sheriff Owens and Officer Miller in assisting to clear up the case. Sheriff Owens also expressed his thanks to the Elizabeth City officers for assistance given here on the matters.

Indians Win Third Straight Victory By Downing Ahoskie

Strong Beaufort Team Plays Perquimans on Home Field Friday

Perquimans High School won its third straight football game of the season Friday night when the Indians trounced their conference rivals, Ahoskie, by a score of 15 to 6. The contest was the first conference game for the Indians and places them in the lead for the annual championship.

The game, one of the best witnessed in a number of years, drew a crowd estimated at 1,200 fans, who saw both teams battling for a break during the first half. Ahoskie obtained this break early in the second period and Jordan raced 90 yards for an Ahoskie TD.

Perquimans gained the offensive in the second half and dominated the play during most of the third and fourth periods. Lead by Williams and Walker, the Indians slashed through the Ahoskie defenses but the first Indian score came when Steve Perry, a linesman, scooped up an Ahoskie fumble and went 20 yards for a touchdown. Williams converted the extra point and Perquimans took the lead at 7-6. Ahoskie was tagged with a safety in this quarter when Bilday stepped out of bounds to punt and the score went to 9-6. Later in the quarter Williams went 30 yards on three tries to score a touchdown and give the Indians a 15-6 lead.

Perquimans' superior strength and reserve power showed up in the second half and it was apparent that the Indians were headed for victory.

At half time the bands of the two schools presented a program of music which was enjoyed by the fans. The Ahoskie band had a special feature which was an outstanding part of the evening's program.

Cochell Fearing's boys will be out for their fourth straight win Friday night when they meet the strong Beaufort team here on Memorial Field with game time set at eight o'clock. The Beaufort eleven is rated as one of the best in this section of the state and fans can be assured of an exciting, well played game.

The contest tonight will mark homecoming for the Indians, and a feature of the program will be the crowning of the Monogram Club queen at half time.
