Many Farm Mishaps Caused By Animals

Maybe a horseshoe means good luck, but a horse is often the cause of accident or serious injury to a human being.

Horses are not considered dangerous. Yet records of the National Safety Council show they account for more accidents than any other farm animal.

This is pointed out by I. C. Yagel, County Agent for the State College Extension Service, who says all livestock should be handled kindly but with alertness, since even gentle animals may kick or strike when startled.

It's a good rule to speak to all animals as you approach them, says the county agent.

The so-called gentle bull is too often the one which acts at unexpected moments, goes someone to death, or inflicts serious injury. One of the principal rules with bulls is to handle them as little as possible.

With a well-constructed bull pen any bull can be cared for safely and with almost no handling. The gates and doors, as well as facilities for feeding, watering, and breeding, can be arranged so there is no need for the caretaker to expose himself to attack.

Bulls should be rung at an early age and worn or weakened rings should be replaced promptly. When it is necessary to lead a bull, always use a staff.

Mr. Yagel suggests that this is a good time of year to check thoroughly all equipment to be used with horses and mules in the spring work and make necessary repairs. Since dry leather has low tensile strength, harness should be put in good condition by thoroughly cleaning with mild soap and warm water and oiling with good harness oil. Special attention should also be given to neck-yokes, tongues, single-trees and double-trees and eveners.

CARD OF THANKS

The King of the River, and Queen of the River and the Prince of the River thank you all for your presents and wishes. Yours for good fishing.

Sam Anderson Hourmouzis.

CARD OF THANKS

I wish to express my thanks to friends and neighbors for the kindnesses shown me while I was a patient in DePaul Hospital, for the cards, fruits and candies sent.

GEORGE CADDY.

C., on or before the 18th day of January, 1952, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment. This 18th day of January, 1952.

MRS. ZELMA H. WOOD

Executrix of Wallace Luke Wood Jan 25, Feb 1, 8, 15, 22, 29

NOTICE OF SALE

Under and by virtue of the power of sale contained in that certain deed of trust dated March 29, 1949, by Joshua Simpson and wife Arney Simpson, to the undersigned trustee for certain purposes therein expressed, recorded in Mtg. Book 26, page 107, Perquimans County Registry, default having been made by the grantors therein in the conditions of said deed of trust, and the undersigned trustee having been formally requested by the holder of the indebtedness therein secured to proceed to execute the power of sale therein conferred, the undersigned trustee in compliance with said request and in execution of said powers of sale, will on Monday the 11th day of February, 1952, at 12:00 o'clock Noon, at the Court House door in Hertford, Perquimans County, N. C., offer for sale at public outcry to the highest bidder for cash the following described tract or parcel of land lying and being in New Hope Township, Perquimans County, N. C., to wit:

BEGINNING at the corner of the David Simpson acre of land lying in the corner formed by the main Durant's Neck Road and River Landing Road also known as Newby's Landing Road, and running a northeast course down said Newby Landing Road to Little River, thence with said River and northwesterly course to the McNider land, thence along the line of the said McNider land line and C. W. Grandy's land line to the Main Durant's Neck Road, then down the road a southwesterly course to the intersection of the Main Road with the Newby's Landing River road, including the David Simpson acre of land, containing 150 acres more or less and being the land allotted to R. R. Perry in the division of the A. A. Perry land and known as the Geo. D. Newby land

and designated as lot No. 4 in the in the division of the A. A. Perry land corded in Plat Book 2, pages 86-89 in the office of the Register of Deeds of Perquimans County, N. C. The statutory deposit (G. S. 45-21.10) will be required of the successful bidder immediately after the sale. Dated and posted this January 9th, 1952.

C. R. HOLMES, Trustee.

Housework Easy Without Nagging Backache

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

One Rule For All

Hertford Officials, adopting a "one rule for all" in connection with violation of parking meter ordinances, is, to our way of thinking, action that should have been taken from the time the meters were installed.

The local officials have been lenient with motorists who have not complied with the law, and this leniency has led to a number of motorists taking advantage of the situation.

The adoption of a flat one dollar fine for over-parking, and failing to work toward breaking up the parking irregularities practiced by some motorists.

Not Too Late

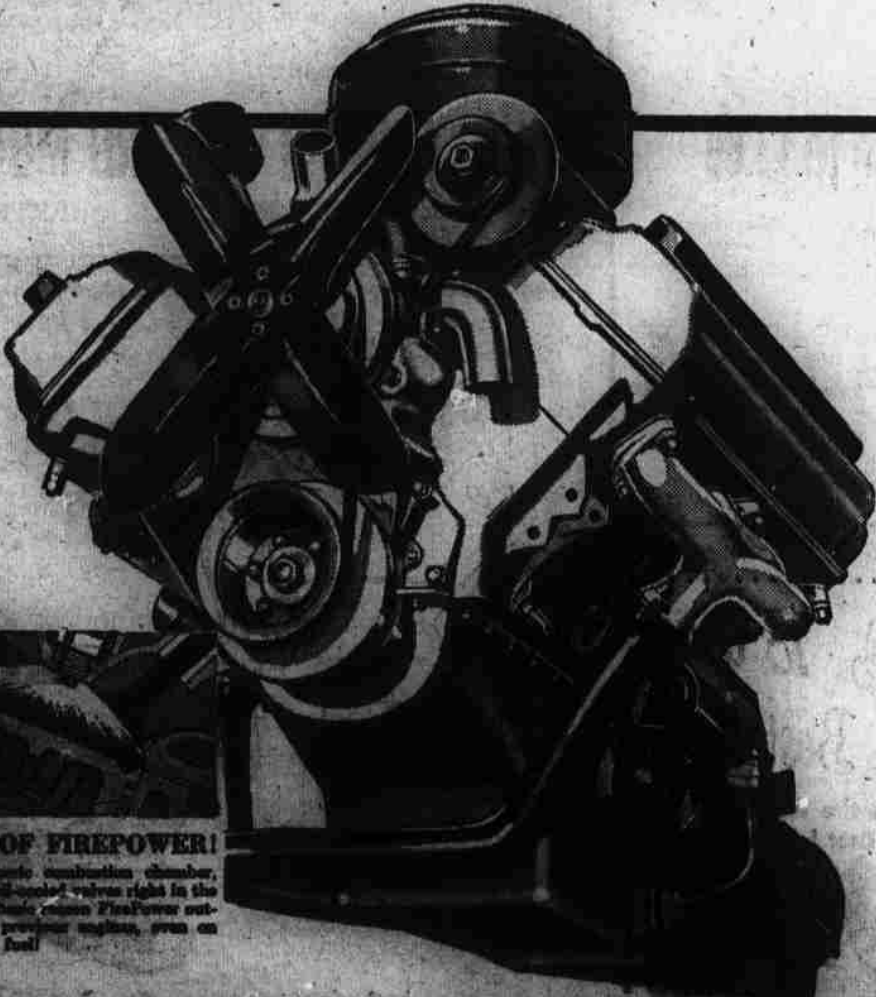

Reports this week reveal the Perquimans County March of Dimes goal of \$2,000 has not been reached, but if you are one who has not been contacted for a donation to the fund it is not too late for you to make a contribution.

Volunteers soliciting funds for the March of Dimes endeavored to see each and every resident of the county, but it is quite possible some individuals were missed.

If you happened to be one of these, and wish to help in the fight against Polio send your contribution to the county chairman, Mrs. John T. Biggers, and it will be credited toward the county quota.

BEFORE YOU INVEST IN ANY FINE CAR...COME DRIVE THIS

CHRYSLER V-8 ENGINE!

HEART OF FIREPOWER!
This hemispheric combustion chamber, with large, well-cooled valves right in the center, is the basic reason Firepower outperforms all previous engines, even on non-premium fuel!

Whether you plan to buy a Chrysler or not, we cordially invite you to drive this revolutionary Chrysler Firepower V-8 engine. Only Firepower performance can possibly tell you what it is like. We want you to have that experience. The Firepower engine is a basic new design so advanced it can't meet today's performance standards. It goes to show today it delivers 250 horsepower, even on non-premium fuel, and when desirable with

simple changes in manifold, compression and carburetion the horsepower can be raised to 260... or over 300 as in the experimental Chrysler K-319 car. Naturally, others will imitate the Chrysler achievement, at least in part. We honestly believe that the Firepower engine will outperform any other car in America... and we invite you to learn the new standard in engine performance. Chrysler has set by driving it yourself.
