

Belvidere Buritans Hear Talk On Fires

Members of the Belvidere Buritan Club met at the Belvidere Community House on March 20 and had as special guests, Mayor V. N. Darden and four members of the Hartford Fire Department. Francis Nixon gave a brief talk to the group on different types of fires and methods of controlling them.

During the business session a discussion was held on a proposal for the Buritan members to assist in making improvements to the community houses at Belvidere and Whitesville.
