— *To The People of Perquimans County* —

It is with a feeling of solemn dedication that we present to you, in this year 1952, the result of several years thought and planning and of many months' work.

It has been our desire to build a funeral establishment that will be an asset to the town and section.

We feel that in this charming old Southern home, remodeled and modernized and converted into an up-to-date funeral home, we have achieved the goal toward which we have striven.

To this beautiful setting and this stately building, we have added all that is best in modern skill and service.

And so, to you, we dedicate this building, the usefulness of its future, and we invite you to visit us tomorrow and see what we have tried to do for you.

THE ABOVE REPRESENTS THE FLEET OF CARS AVAILABLE FOR ALL SERVICES. TWO FUNERAL COACHES, TOGETHER WITH TWO AMBULANCES AND A SEDAN, ARE THE MOST MODERN AND UP-TO-DATE EQUIPMENT TO BE HAD.

24 Hour Ambulance Service — Phone 5111

Doors Will Be Opened At 9 A. M. — Visitors Allowed Until 10 P. M.
