*"I've just heard a wonderful story  
...and it's about you!"*

MISS OLIVIA DE HAVILLAND

Do YOU KNOW why your ears were burning a bit ago? I was listening to a wonderful story about a Defense Bond owner. A thrifty, patriotic person, one I respect and admire. You.

You're writing the most exciting success story the world has even seen. And I'm proud of it, for you see, I'm on the same team. I'm a Defense Bond owner, too.

I wonder if you know all the good things that Defense Bonds mean to us. For example:

**FIRST**—Thanks to new Treasury regulations, every Series E Bond we buy begins earning interest after only 6 months. It earns 3% interest compounded semiannually when held to maturity. It reaches full maturity value earlier (3 years 8 months) and the interest it pays is now bigger at the start.

**SECOND**—Every Series E Bond we own can now go on earning interest for 19 more years after it reaches the original maturity date—without our lifting a finger!

**THIRD**—During the 10-year extension period, every unexpired bond earns at the new, higher interest rate (average 5% compounded semiannually). Our original \$18.75 can now pay us back \$33.67. \$37.50 pays back \$67.34. And so on.

**FOURTH**—When we make ourselves and our families economically secure through buying bonds, we're helping to build the great economic strength that backs up our national defense. And this is the best security our money can buy. For after two world wars we have found that peace is for the strong!

U. S. Defense Bonds are one of the easiest, most convenient forms of saving ever invented. For through the Payroll Savings Plan where you work, you can buy bonds on a time payment plan. Just specify the payments, as large or as small as you like, and they will be automatically set aside from your salary. This way you save the money before you spend it. And millions of people have found this is one sure way to save.

*Peace is for the strong...for peace and prosperity  
save with U.S. Defense Bonds!*

The U. S. Government does not... Treasury Department
