

Indians Turn Back Pamlico For Seventh Football Victory

Perquimans Will Play Ayden Here Friday In Last Home Game

The Indians of Perquimans High School marked up their seventh victory of the current football season last Friday night when they defeated Pamlico High School by a score of 20-13.

Sparked by the hard running attacks of Howard Williams and Griffin and the serial attack team of Morris and Paul Mathews, the Indians outclassed the visitors during the entire ball game. Coach Ellie Fearing made use of his reserves during a big part of the game, giving these players valuable game experience.

Perquimans won the toss and elected to receive the opening kick-off. With the ball on the 29-yard line, the Indians fumbled on the first play and Pamlico recovered. Pamlico failed to gain and Perquimans took possession. Williams broke loose for a long run and it was first and 10 on Pamlico's 45-yard line. A pass from Morris to Paul Mathews put the ball on the 3-yard line and Morris scored the first TD and the Indians led 6-0. Mathews converted and the score moved to 7-0. The remainder of the quarter was a scuffle battle between the two teams and the period closed with the Indians in possession on Pamlico's 30-yard line.

In the opening minutes of the second period Perquimans fumbled on the one-yard line and Pamlico recovered. Pamlico failed to gain and the Indians took over. On the first play Williams broke loose for a 50-yard run placing the ball on Pamlico's 25-yard line. The Indians scored again, on a pass from Morris to Paul Mathews and the score stood 13-0 for the Indians.

A third touchdown, scored by Williams, was called back on a penalty but Pierce ran the ball to the five yard line and Eugene Boyce went over on the next play to give the Indians a 20-0 lead.

Hudson was the outstanding offensive player for Pamlico and scored both of the visitors' touchdowns, one in the third period and one in the fourth.

Perquimans rolled up a total of 15 first downs while Pamlico made eight.

The Indians will play their last home game of the season on Friday night when they meet the Ayden high school team. Game time is set at eight o'clock.

Town To Begin New Garbage Collection System December 1

Operation of a new system for collection of trash and garbage by the Town of Hertford will start about December 1, it was reported in a meeting of the Town Board held last Monday night.

Mayor V. N. Darden informed Town Commissioners that Hollowell Chevrolet Company had submitted a low bid for a new truck chassis, to be used in the operation, and delivery of this chassis is expected in about two weeks. A dump-truck body also has been purchased for the chassis, and the unit is expected to be ready for use by the first of next month.

The death of Will Gregory, an employee of the Town for 20 years and who worked with the street department, probably hastened the change over to the motor vehicle system.

In changing over to a motor vehicle from the use of horses and carts, the Town Board plans to provide the same service in collection of trash and garbage as given in the past. In fact, it is the belief of the Board better service will be rendered under the new system.

A delegation, composed of Harry Hollowell, Charles M. Harrell and I. C. Yagel, representing the Hertford Lions Club, appeared before the Board to learn the status of a project, recommended sometime ago by the Business and Professional Women's Club. The project being installation of street markers within the town.

The Lions offered assistance to the Board in any way the club can help in bringing this project to completion, and also advised the Board the Lions Club has adopted plans to conduct a project for renumbering all houses in Hertford.

When advised the Town hopes to purchase and install all the street markers sometime next Spring, it was agreed the house numbering project was a worthy one, and one which fitted in well with installation of street markers.

Plans for renumbering blocks and houses on each street in the town will be carried out by the Lions Club.

Family Argument Leads To Arrest

Garland McDonald, 24, of South Mills, was arrested and placed in jail Monday afternoon by Patrolman B. R. Inscow, who had a warrant issued charging McDonald with engaging in an affray on the highway.

She was later taken to Albemarle Hospital for treatment, and it is believed she suffered injuries to her shoulder and back.

Patrolman Inscow stated his investigation revealed there had been a family argument in the home and the woman left the house for McDonald's car outside, and had been knocked into the ditch by the time he arrived at the scene.

He reported Mrs. Hendricks and her daughter stated McDonald hit the woman with the car at the time she was knocked into the ditch. A hearing for McDonald has been set in Recorder's Court on November 25.

Annual Seal Sale Opened In County On Last Friday

BPW Club Sponsored Drive Opens With Bonds Being Mailed

Perquimans County's annual sale of TB seals got under way here last Friday under the sponsorship of the Business and Professional Women's Club, with Miss Hulda Wood as Seal Sale Chairman.

TB bonds, in denomination of \$5 and \$10 were mailed out to residents of the county, and the sale of seals will begin shortly, Miss Wood said. The campaign will come to a close on December 25.

Sheets of the 1952 Christmas Seal feature the double-barred cross and a glowing candle in an old-fashioned brass candleholder, Miss Wood said. The red double-barred cross is the registered insignia of the National Tuberculosis Association and its 3,000 affiliates, and it is also the international symbol of the modern campaign against tuberculosis.

Since the early part of this century the cross has served as emblem under which the voluntary associations have fought the spread of tuberculosis in communities throughout the nation, a fight largely financed by the American people themselves through the annual purchase of Christmas Seals, Miss Wood pointed out.

The international insignia of the fight against tuberculosis is an adaptation of the historic Cross of Lorraine, the emblem of the Dukes of Lorraine, France, under which the First Crusade was carried out. The double-barred cross was adopted as the emblem of the modern crusade against tuberculosis on October 23, 1902, during the first organized international conference on tuberculosis in Berlin, Germany. Twenty nations, including the United States, were represented at the conference.

Godwin Speaks At Schoolmaster Club Meeting On Monday

Senator-elect A. P. Godwin, Jr., of Gatesville, was the speaker at the meeting of the Albemarle Schoolmasters Club held in the spacious and attractive new cafeteria of the Perquimans Central Grammar School Monday night.

Decorations featuring Thanksgiving were used with yellow chrysanthemums and colorful autumn leaves and perky little turkeys of pine burrs. A delicious turkey dinner was served under the direction of Tommy Maston, principal of Central, by schoolgirls, to 101 guests.

W. J. White, Superintendent of Tyrrell County Schools, pronounced the invocation and J. T. Biggers, Perquimans County Superintendent, as toastmaster, introduced the special guests, who included: Mrs. Charles E. Johnson, who sang, Mrs. R. M. Riddick, Jr., accompanist, Mrs. T. P. Brinn and Delwin Euse, of the Perquimans Board of Education, Miss Eva Harris and Mrs. W. E. White, Daily Advance reporter.

The roll call of counties showed the following members from the various units: Camden, two; Chowan, one; Edenton City Unit, four; Currituck, fourteen; Dare, eight; Gates, two; Hyde, four; Pasquotank, six; Elizabeth City Unit, five; Tyrrell, two; Washington, nine; Perquimans, nineteen.

After the program a business session was conducted by Tex Lindsey, President of the Club, and principal of Columbia School, with Mrs. Brunsey secretary, reading the minutes.

In his address, Godwin discussed the school and the community. Quoting from an article in a recent publication which he said had impressed him, he said, "The public school is the people's school. The public school is a local institution which was begun as an extension of the home." "This," he said, "is fundamental, so fundamental and so specific that professional educators and I representing the layman in the community, are likely to overlook that fact." "We are," he said, "likely to become so involved in administrative problems and policies and schoolroom techniques that we overlook or lose sight of the fact that the public school was the people's school and is such and should operate as the extension of the home."

In developing his theme, he said, (Continued on Page Eight)

THIS WEEK'S HEADLINES

President-elect Eisenhower has named Senator Lodge and Joseph M. Dodge, a Detroit businessman, to act as liaison representatives in Washington pending a change in the administration on January 2. Lodge will be present for discussions on domestic and foreign subjects while Dodge will confer with Administration officials concerning the budget for the fiscal year beginning July 1953. The purpose of this action, in appointing these men to confer with present officials, is to smooth the way for new administration when it assumes the leadership of the government.

Reports from various sections of the nation indicate General Eisenhower will receive the support of Democratic and Republican Congressmen on programs which might be presented, providing for the welfare of the country. Meanwhile, plans are being readied for the President-elect's trip to Korea. The Defense Department, it is reported, is working out plans for the journey which will most likely be top secret to insure the safety of General Eisenhower.

Following the death of Philip Murray, president of the CIO, officials of this large labor organization are now considering the selection of a new leader. A CIO convention planned for this week may be postponed until a later date at which time the new union president will be elected. Murray, who was one of the top labor leaders of the U. S., died of a heart attack last Sunday morning.

The new Congress, which will convene January 3, will be controlled by the Republicans by a narrow margin. The House will have a GOP majority of some eight to 10 votes while the Senate will be divided 46 Republicans and 47 Democrats, and one Independent. This means the GOP will organize the two houses and control the committee and legislative program.
