

BPW Club Announce Winners of Poster And Slogan Contest

Winners in the poster and slogan contest, conducted by the Business and Professional Woman's Club, in connection with the club's fourth annual safety campaign were announced this week by Mrs. D. M. Jackson, chairman of the committee.

Mrs. Jackson said the response to the contest was most gratifying, and that entries submitted revealed much cooperation between the teachers and the students of the county schools toward promotion of safety.

The contestants submitted so many good safety ideas, through the posters, Mrs. Jackson said, the out-of-town judges had difficulty in select-

ing the winners. The posters were judged on the basis of 50 per cent on the idea carried out, 25 per cent for originality and 25 per cent for neatness.

Poster winners were: Anne Burke Chappell and Charles L. Winslow, first place; Billie Hudson and Shirley Tarkenton, second place; James S. Jennette, third place.

Winning honorable mention in the poster contest were:

Hertford Grammar School—Mary Lee Ward, Joyce Fay Owens and Dean Britt from fourth grade; Jeanette Sawyer, sixth grade; Nancy E. Lane, Maude Lee Corpew, James Carlton Benton and Billy Yagel, seventh grade.

Perquimans County Central Grammar School—Jimmy Perry and Michael Mathews, first grade; Celtic Ann Long, second grade; Betty Meads, Wade Morgan and Sandra Hudson, third grade; Hubert W. Burden, fourth grade; Brenda Kay Elliott, fifth grade; Aldyne Winslow, Pat Lane and Sarah Swayne, sixth grade.

Perquimans Training School—Al-

vin Newby, fourth grade; Ronald Spence and William Lightfoot, fifth grade; Charlie Jordan, eighth grade; Archie Calvin Whitehurst, 9B grade; Enoch Gregory, eleventh grade.

Hertford Colored Elementary School—James E. Skinner, eighth grade.

Winners in the slogan contest were: Enoch Gregory, PTS, first place; Diane Divers, HGS, second place, and Sophia Godfrey, PCCGS, third. The winning slogan was "Cars a-plenty, cautious drivers few; I'M one, are you?"

BLOODMOBILE HERE TODAY

The Red Cross bloodmobile will be in Hertford today (Friday) with headquarters at the Hertford Methodist Church, according to Jarvis Henry, Jaycee Committee Chairman. Blood donors are asked to come to the church between 10 A. M., and 4 P. M.

CLUB MEETING

The Whiteston Home Demonstration Club was called to order by the president, Mrs. Tom Riddick, with 16 members present and two visitors. The group sang "Fairer Lord Jesus" and the devotion was led by Mrs. Marjorie Winslow. After a report from the family life leader and a report of the education leader the roll was called and the minutes read. The local treasurer reported \$171.60 in the bank, \$6.13 local and \$7.00 received from the sale of desks in the building. During the business session Miss Perry, home agent, announced the bloodmobile will be in Hertford on May 29 and urged all members that could to solicit donors and donate themselves if possible. She urged someone to attend Farm and Home Week and to send some old fashioned recipes into Raleigh for the State Cook Book. The meeting was turned over to Miss Perry

who gave a very informative demonstration on pickling. The hostess served refreshments.

WHO KNOWS

1. What does the law classify as "personal property?"
2. What is the study of weather conditions called?

THE ANSWERS

1. Tangible property that can be transferred from one person to another by delivery, such as chattels, jewelry, etc.
2. Climatology.

GOOD NEWS Gets Around Fast!

Come in And See the New JOHN DEERE "40" Series TRACTORS

This time the good news is about the new 2-Flow Tractors John Deere is building in the three styles shown at the left. We expect folks to be interested in these new tractors and their new line of working tools, but our buttons really pop when we hear the many good things you folks are saying about them. All three models are built around the same powerful 2-cylinder engine that has been so successful during the past six seasons. It has proved to be one of the most dependable engines John Deere ever built. All models have effortless hydraulic control and the wheel-type tractors have what many are saying is the best 3-point hitch with Load-and-Depth Control that money can buy.

Come in and get all the facts—arrange for one of our free demonstrations.
