Water Embargo To Be Lifted Saturday

The embargo, restricting the use of the Hertford water supply, ordered effective last Saturday will be lifted Saturday morning of this week, it was with accepts of talks and flow with accepts of talks. rported by Mayor V. N. Darden.

In announcing the end of the embargo, Mayor Darden requests all users of town water to conserve the supply as much as possible. He stated if the dry weather continues, and it becomes apparent water customers are being wasteful with the local water supply, the embargo will, again be ordered into effect.

Town officials ordered the water embargo into effect last aturday, after this area had been hit by one of the longest dry spells in years, and the local water supply was being consumed faster than it was being pumped. During the past week town employees dug a number of new wells in the local water field, and these wells

helped to swell the town's supply. The rain of Thursday morning was also expected to aid the situation and Mayor Darden reported he hoped con-sumption will be kept at such a level the need for reinstating the embargo will not be necessary.

Vote To Finance Temporary Repairs To Winfall School

Meeting in special session here last Tuesday night, members of the Per-quimans County Board of Commissionhome of Milton Dail, Jr., south of ers acted upon a number of important business matters brought up before the meeting.

The Board accepted a bid of \$7,500 for approximately 14.3 acres of county land, located on U.S. 17, tendered by the State Highway Commission, which desires the property as a site for location of its new repair shops in this district.

Highway Commissioner J. Emmett Winslow appeared before the Board and presented the bid price for the land. He told the Board of Commissioners it is the intention of the Highway Commission to construct its shops on a portion of the property, and to create a park in part of the woodland area. The park will be open for public use for picnics and outings.

In connection with the sale of this land, the County retains title to all saleable timber on the site, and the Board authorized Chairman Archie T. Lane and Attorney S. M. Whedoce to advertise and receive bids for the sale of this timber.

J. T. Biggers, superintendent of schools, appeared before the Board and requested the Commissioners to loan a sum of approximately \$600 to the Board of Education to permit construction of two temporary classrooms in the Central Grammar School at Winfall, which will be used to ease the overcrowded conditions of the school. This request was approved and Mr. Biggers announced the work is expected to be started and complet-

ed within the next two weeks. Th Board voted to accept a bid of \$5,307.30, submitted by W. H. Lane for the installation of a central heating system in the Court House.

Approval was voted that Sheriff M. G. Owens issue a county license for permission to sell beer to Mrs. Ella P. Lindsay.

County Attorney Silas M. Whodbee reported to the Board he was in receipt of a deed, from L. N. Hollowell, for a tract of land, which is to be the site of the new Public Health Building, and the Board ordered payment made for the property.

The Board voted to pay one month's leave pay to I. C. Yagel, former coun-

Inasmuch as these subjects are of great interest to the public generally, the members of the Hertford Rotary Club have issued an invitation to the public to join with them in seeing the film and listening to CPO Sapp lecture on the subject.

It has been announced the program will last about one hour, and there is no charge for attendance.

Backyard Banana Tree Bearing Fruit

Dr. C. A. Davenport will soon have a sizeable stock of bananas, which are growing on his banana tree in the yard at the rear of his office on Market Street, proving this fruit can be grown elsewhere than its usual locations in Florida and Central America.

Dr. Davenport secured the tree on a trip to Florida last year, and transplanted it upon his return here. The tree was natured through last winter, being housed and heated electrically. It showed sturdy growth, and after blooming 15 fingers of bananas are growing from the stock.
