Thieves Fail In Robbery Attempt

An attempted robbery of the Winslow Oil Company last Tuesday night failed when the thieves were unable to open a safe in the office of the local firm.

Sheriff M. G. Owens, who with Walter Spence of the SBI are investigating the break-in, reported the thieves gained entrance to the office by rowing a boat under the floor of the warehouse and climbing into the warehouse through a hole in the floor. The firm's safe was damaged considerably by the thieves who used a punch to knock off the safe dial and robbers left the scene, leaving the punch in the safe door.

Polls Will Be Open From 7 A. M., Until 7 P. M. In This County

Peanut farmers in Perquimans County will go to the polls on Saturday, August 29 to vote in the State's first Peanut Assessment Referendum. The referendum will be conducted in 44 eastern counties, in which peanuts are produced.

Everything is in readiness for the voting in Perquimans, according to Ralph Sasser, Assistant County Agent who has announced the polling places and officials for the various townships in the county. He reported the one of the hinges on the safe. Fail- polls will be open from 7 A. M., to 7 ing to gain access to the safe the P. M., and a "yes" vote of two-thirds or more of those voting is necessary to carry the referendum.

Polling places and poll officials are as follows: Bethel, Phillips Store, John Corprew, Wilma Brabble, Colon fackson, officials; Hertford, Agriculture Building, Preston Nixon, Joe Layden, J. E. Hunter, officials; New Hope voters will cast their ballots at the Agriculture Building in Hertford; Parkville, Winfall Community Building, Floyd Mathews, Claude Williams, Arvin Hudson, officials; Belvidere, Community Building, J. M. Copeland, J. L. Lane, W. C. Chappell, officials;

The referendum will enable farmers to vote on the question of whether or not they should levy upon themselves an annual assessment of onecent per hundred pounds of peanuts marketed for a three yar period. The proceeds from the assessment would be turned over to the N. C. Peanut Growers Association to be used to promote the interests of peanut growers in all phases of production.

All farmers engaged in the production of one or more acres of peanuts for market will be eligible to vote in the referendum. This includes owners of farms on which peanuts are produced in 1953, tenants and sharecroppers. If several members of the same family participate in the production of peanuts, the member or members having an independent status as owner, tenant, or sharecropper, and entitled too share in the proceeds of the crop is eligible to vote. Both husband and wife are eligible to vote if they are joint owners of a farm growing peanuts.

Assigned To Schools In This County Nine Perquimans County families, in the upper area of Belvidere Town-

ing assigning their children to the Hobbsville school district rescinded in order that the children may attend Perquimans County Schools.

A petition requesting action upon the matter has been presented to the local Board of Education, and on last Monday a delegation composed of J. T. Biggers, Superintendent of Schools, Clarence Chappell, C. F. Tynch and J T. Winslow, went to Raleigh to comfer with State School Officials concerning the situation.

At the present there are 14 children involved, and the parents of these children have expressed the desire they be permitted to attend schools in this county. In 1934, a resolution adopted by the Perquimans County Board of Education and the State Board of Education assigned the area in which these children reside

as a part of the Hobbsville School District. Since that date children living in the area have attended the Hobbs-
