SUNDAY SCHOOL LESSON

(Continued from Page Nine) compassion, we will be more likely to cultivate it in our lives. Then, we will practice compassion—for unless we put our emotion into action, it will do us and others little good.

In this Thanksgiving season, surely we have the opportunity of practicing Christian compassion, like Jesus himself, "who went about doing good." Many have little to be thankful for other than life itself. We, who have so much and have been so bountifully blessed by God, should unselfishly share our plenty with those who have so little. In this way, the spirit of love and compassion will grow in our hearts and bear fruit through our actions.
