Layden Rites Held Wednesday Afternoon

Walter Leroy Layden, 58, a life-long resident of Perquimans County, died Sunday about 9 A. M., at his home in Belvidere. He was a son of the late John and Mrs. Sarah Winslow Layden.

He is survived by two brothers, Edgar Layden of Elizabeth City, and Archie Layden of Hobbsville; three sisters, Mrs. James M. Copeland and Miss Olive Layden, both of Belvidere, and Mrs. T. R. Winslow of Winfall.

Funeral services were conducted Wednesday at 2 P. M., at the Lynch Funeral Home in Hertford by the Rev. Caleb Goodwin, Jr., pastor of Whiteville Grove Baptist Church. Burial was in the Up River Friends Cemetery.

Bethel Church Host Brotherhood Meet

The Bethel Baptist Church was host last Tuesday for a brotherhood meeting, conducted by the Chowan Baptist Association. The event opened at 4 P. M. and a plate lunch was served by the church.

Dr. L. L. Carpenter, editor of the Biblical Recorder, spoke on the subject of "The Power of Men." Dr. Earle Bradley of the N. C. Baptist State Convention, spoke on "Men and Missions." Mrs. C. D. Gregory pointed out the value of brotherhood in relationship to the Woman's Missionary Union in promotion of missions.

The Men's Choir of the Hertford Baptist Church rendered special music during the meeting.

SOIL CONSERVATION NOTES

E. I. Miller has recently constructed a ditch on the back side of his farm to prevent woods water from entering his fields. He plans to revise the drainage system on this farm by cutting four new parallel ditches and filling up the present ditches. His new ditches will run the entire length of the farm, making the rows approximately twice as long as they are now and will eliminate all short rows except on one side of one cut.

T. C. Whitehurst plans to grow some food for quail this year. Mr. Whitehurst, on his farm near Chapin, has one small field that is located some distance from his other fields. This field contains approximately 1 1/2 acres and is surrounded by woods. Due to its size and location Mr. Whitehurst decided to use this field to produce food for quail. He plans to set a border of bicolor lespedeza plants around the edge of the field and to seed the main part of the field to annual seed mixtures. The North Carolina Wildlife Resources Commission will furnish the bicolor plants and the annual seed mixture.

Ralph Layden says that corn following pasture in a rotation gives good yields. Mr. Layden's corn on land following pasture produced a much better yield than on adjacent land that had been in row crops the previous year. Last year was unusually dry and the corn on the land where the pasture sod had been turned stood the dry weather much better than his other corn.

Jayvee Tourney Now In Progress

Perquimans High School is host this week to the annual basketball tourney for the Albemarle Jayvee Conference. Games started Wednesday, with semi-final rounds of the members. Mrs. Joe Layden and Mrs. Joe Rogerson were hostesses. Mrs. Joe Layden, president, presided over the meeting, beginning with all singing "Onward Christian Soldiers." Mrs. Joe Layden gave the devotional, using 121st Psalm, followed with prayer by J. R. Askew. The secretary, Mrs. W. H. Lamb called the roll and read the minutes which were approved.

The club acknowledged \$34.60 for the March of Dimes. Mrs. W. H. Lamb and Mrs. Carroll Williams gave articles from the Home Demonstration News Letter. Mrs. C. W. Reed gave a talk on her trip to Cuba.

The meeting was then turned over to Miss Kimsey Perry and R. M. Thompson who gave very helpful information on "Pruning and Landscaping," and also showed slides on the subject. The meeting adjourned with all repeating the Club Collect in unison. Recreation was enjoyed by all during the social hour after which the hostesses served sandwiches, cocoa, cake and mints.

SLAUGHTER RECORD

Commercial slaughter of livestock in North Carolina during December, 1954, totaled 25,004,000 pounds liveweight—the highest of record for any December, according to the N. C. Crop Reporting Service. Slaughter during December was seasonally lower than the 27,068,000 pounds killed during November 1954 but was about 15 per cent above the 21,799,000 pounds
