Low Prices Cited As Reason For Record Colonial Sales Gain
Colonial Stores' sales hit an all-time high this week throughout the Virginia area. Low day-in-day food prices at Colonial Stores are the key factor with the company's slogan: "Your total food bill is less when you shop at Colonial." Expert buying in outland quantities enable Colonial to obtain the quality food items at a lower cost. J. E. Harry, Senior Grocery Buyer at Colonial, said: "These savings are then passed along to our customers in the form of lower prices. It has always been our policy to provide customers with the finest quality merchandise at the lowest possible price." Among other reasons cited for the sharp increase in Colonial sales was the wide variety of items offered in all Colonial stores. Low prices, however, remain the most important consideration both for Colonial and its customers.
