**Nosegay...**  
by Fostoria

As its name suggests, Nosegay is a light-hearted floral pattern, as delightfully feminine as a bride's bouquet. It is a polished cutting on graceful handblown-sterware. It was designed to complement floral patterns in china, but you'll find it goes equally well with many plain and geometric designs. Come see it in our open-stock Fostoria collection.

New, Low Mid-Summer Prices

For delicious outdoor (and indoor) eating Colonial is featuring items such as smoked hams, winter and ground beef at greatly reduced prices. Added inducements for Colonial customers in all up the picnic basket and home for the out-of-door are low prices on pickles, preserved barbecue, cleaned and fresh fruits and capsaques.

"These items, of course, are not the only reason for shopping Colonial this week," one customer pointed out. "They're just extra good buys. Our day-to-day low food prices on all items remain in effect, or always."

Catering to popular demand in bright, modern living, Colonial will also feature California dinnerware in four-piece place settings. These colorful sets contain plate, cup, saucer and salad plate and can be had through the Say-A-Tape plan for only \$1.25 with \$5.00 in CS register receipts.

"A special and select purchase of smoked hams in large quantity permits us to offer these delicious hams at the reduced price," Colonial officials pointed out. "We always offer our customers the best quality at the lowest possible price, which is why the customer can depend on our slogan: 'Your Total Food Bill is Less When You Shop At CS.'"
