

BPW Club Members Planning Vacation Trip To New York

The Perquimans Business and Professional Women's Club met with Mrs. Essie H. Burbage at her home on Thursday night, August 4, for its regular business meeting. The President, Mrs. Emily T. Harrell, presided.

Plans for a booth were formulated for Farmers' Day which will be held at the Perquimans County High School on August 17.

Letters were read from Paola Scip, the Italian War Orphan who is in a hospital in Rome. The Perquimans Club shares Paola's support with the ten clubs that make up the Eighth District of the North Carolina Federation.

The president appointed Miss Thelma Elliott, Roxanna C. Jackson, Betty T. Swindell, and Alice M. Towe to make plans for National Business Women's Week which will be observed September 25 through October 1, when the club will start the week by attending church in a body on Sunday morning.

Each member was given a "bang" and a Membership Blank to start a Membership Drive, which will be highlighted with a banquet at Hotel Hertford Friday night, September 30, when the membership committee, with Mrs. Atha E. Tunnell, chairman, will have charge of the orientation program.

The third week in October has been set as the tentative date for combining a fall vacation with an education trip to New York and the United Nations. For four days the price includes: Round-trip transportation by special charter bus from central starting point, hotel rooms with private bath, (based on four persons to a room with two double beds). Grand Sight-seeing Tour, tickets to Radio City Music Hall, guided tour of United Nations building and trip to Statue of Liberty. No meals are furnished. A trip to Hyde Park can be arranged in a five day tour. Interested persons may obtain further information from Mrs. Harrell or Miss Annie Lee Howell, president of the Rocky Mount Club, who is in charge of arrangements.

The Southeast Regional Conference will be held in Charleston, South Carolina October 20-23. The president urges all those who plan to attend to make reservations early as a large attendance is expected. This is the first time in the history of the Regionals that all members of the Executive Committee of the National Board will have been present to take part. Nine states make up the Southeast Region.

At the conclusion of the meeting, the hostess served a refreshing fruit punch, cookies, mints, and potato chips to the following members in addition to those already mentioned: Mrs. Viola D. Nachman, Dora T. Riddick, Sallie McN. Lane, Grace M. Costen and Mary Dale S. Lane.

Mrs. Betty T. Swindell will be hostess to the September meeting.

Negro Home Club Has Health Project

To improve the health of the people in Bethel Community has been one of the major objectives for Bethel Negro Home Demonstration Club members. One of the goals toward reaching the objective was to establish a Community Health Chest equipped with sick room material which may be loaned to the people of the community.

Recently, the Home Demonstration Community Health Leader, Mrs. Mary Beth Skinner, and Mrs. Clarice Newby, president, led the community in raising \$80.00 toward helping to purchase a paraplegic type wheelchair for Percy Brothers, son of Mr. and Mrs. James Brothers of Route 1.

Mrs. Clarice Newby, club president, is soliciting the cooperation of every family within the community to help in providing sick room equipment for the Health Chest.

The Bethel Home Demonstration Club is sponsoring a community picnic at the home of Mrs. Mary Bell Skinner, Route 1, starting at 1:30 P. M., Tuesday, August 23. The picnic will feature a short program consisting of group singing, a discussion on "planned family recreation", games and refreshments.

CIRCLE TO MEET

The Mary Towe Circle of the Woman's Society of Christian Service of the Hertford Methodist Church will meet with Mrs. Lawrence Towe Monday night, August 15 at 8 o'clock for its regular monthly meeting.

Officers Seeking Missing Woman

Law enforcement officers are seeking to locate Mrs. Sarah Squires, 28, of Route two, Hertford who has been missing since July 30, it was reported Wednesday by Sheriff J. Kelly White, who said Jay Squires, husband of the missing woman reported she disappeared from the El Dorado, about one mile north of Hertford, while he was inside the station purchasing sandwiches. Squires told Sheriff White he and his wife had ridden to the station with Marvin Swain of Elizabeth City in Swain's car; that they parked at the El Dorado to make some purchases and when he returned to the car his wife was gone. A search at that time failed to reveal any clues as to the disappearance of the woman.

The missing woman was described as being five feet, four inches tall, weight about 175 pounds, having dark hair and grey eyes. Her disappearance has been reported to the State Highway Patrol which is cooperating in the search.

The parents of the missing woman, Mr. and Mrs. Bernard Hoff, of Indiana, were notified of her disappearance and came to Hertford to assist officers in locating their daughter but returned home after being unable to discover any clues as to her whereabouts.

The Squires have lived on Route two for the past four years accord-

GOC Took Part In Alert Sunday

The Perquimans County Ground Observer Corps participated in a 12-hour alert known as "Skytrain V" Sunday, August 7 with thirteen observers participating. The purpose of the alert was to serve as a training exercise to increase operational efficiency of the Ground Observer Corps and to provide systems training in low altitude surveillance and interception. Several southeastern states were involved.

The local G.O.C. is divided into three teams which are captained by Mrs. Joe Towe, Silas Whedbee and Jarvis Henry.

Observers participating in the alert were Mrs. Joe Towe, Francis Nixon, John Beers, J. T. Lane, Charles Murray, Billy White, Tommy Tilley, John Matthews, Charlie Skinner, Edgar Fields, Jr., Billy Cherry, Earl Dunsmoor, Jr., and Bebbie Tucker.

Symon Funeral Held Saturday P. M.

Ruth Lane Symons, 79, died Friday night at her home in Tyner following an illness of two weeks.

Mrs. Symons was a life long resident of Perquimans County, wife

ing to Sheriff White, having moved to this county, from Indiana, following Squires' discharge from the armed forces. Squires is a native of Beaufort County.

of the late Kit Symons and daughter of the late John and Mary Eliza Lane.

She is survived by one son, Joppy Boyce of Edenton; two daughters, Mrs. Eliza Chappell of Tyner and Mrs. Grace Monds of Belvidere; two brothers, Lone and Joe Lane of Winfall and Elizabeth City respectively; one sister, Mrs. Lottie Lane of Winfall; 40 grandchildren and one great grandchild.

Funeral services were conducted Saturday at 4 P. M., at the Lynch Funeral Home of Hertford by the Rev. Jack Sawyer, assisted by the

Rev. L. T. Chappell. Burial was in the family cemetery in Perquimans County.

District Meeting For Farm Bureau

A district Farm Bureau meeting, for the purpose of discussing policies of the Farm Bureau and formulating plans for the 1955-56 membership drive, will be held in Elizabeth City, at the Agriculture Building Monday night, August 15. It was reported today by Walter Nowell, president of Perquimans Farm Bureau.

Mr. Nowell urges all members of the Perquimans unit, who can, to attend this important meeting next Monday.

Step in . . . and command the most modern truck power on any job!

New Chevrolet Task-Force Trucks

Seven new "high-voltage" high-compression valve-in-head engines!

Here's hour-saving, dollar-saving power for your job . . . the biggest choice of engines in Chevrolet truck history! And they're the most modern engines in the industry!

You've got it good under the hood with a new Chevrolet Task-Force truck! With two new V8's and five new sixes to choose from, you can pick the power that does your kind of hauling with low ton-mile costs and hour-saving efficiency.

Shortest Stroke V8's in any leading truck! Both of Chevrolet's new truck V8's have an ultra-short stroke—shortest of any V8 in any leading truck. They're of modern oversquare design, which means that the piston stroke is smaller than the bore. The result is less piston travel per mile . . . longer engine life. Also, Chevrolet's compact truck V8's deliver exceptionally high horsepower per pound of engine weight. More power is actually available for hauling your loads!

A modern 12-volt electrical system. You get this great development in all new Chevrolet truck engines—both V8's and sixes. The 12-volt electrical system delivers twice the punch for quicker cold-weather starting (up to 30% faster cranking speed). It also provides a hotter, fatter spark for better ignition, and gives you a greater electrical reserve supply.

Come in and command the most modern power for your job in today's most modern trucks—new Chevrolet Task-Force trucks!

V8 or 6 you get the right power for your job!
