COUNTY BUSINESS MEN

We, the Farmers of Perquimans County, wish to thank the business firms listed below for their wonderful cooperation and spirit shown in our annual Perquimans County Farmer's Day.

This cooperation, we feel, which you so graciously gave us helped to make this year's event a successful one despite the competition from inclement weather brought about by the hurricane.

It is our sincere hope that teamwork and spirit of neighborliness which is developed through programs of this type will continue to foster the most cordial rural-urban relationship for the advancement of our home county.
