on artificial respiration. After the demonstration some of the boys and girls were shown how to give artificial respiration and they practiced doing it. The meeting then closed.

The 8th grade 4-H Club of Perquimans High School met March 26 in the high school auditorium. The 4-H pledge was said and then the meeting was turned over to the program chairman, Willis Williams. Wayne Howell led in the Lord's Prayer. The group sang "America" and "Solomon Levi". For the demonstration Bobby Matthews gave a talk on artificial respiration. It is believed that the 4-H members benefited greatly from this demonstration. The meeting was then adjourned.

SUNDAY SCHOOL LESSON

no fire, but parting tongues "like as of fire," visible evidence of the divine presence of God and suggesting the fervent witness each would be empowered to bear. There was the gift of "tongues," a temporary endowment granted for a special purpose—the words spoken by the disciples were miraculously understood by men of many nations as they listened to the amazing witness of the disciples.

Immediately afterward, Peter preached a marvelous sermon. His subject was Christ, and he proclaimed him as the Saviour of mankind, setting forth his deeds and words. In answer to the question of the people, he advised them to repent and have faith in Jesus. As a result, 3,000 souls accepted his invitation.

The gospel of Christ, who came that man might have life "and it more abundantly," continues to declare that it is good news when the life in Christ grows and expands. To produce mature Christian personalities is the full story that "Jesus is alive."

Tax Deadlines Are No Concern To This Army Father Of 16

Fort Ord, Calif. — Income tax deadlines mean nothing to Sergeant First Class Salome De LaRosa of the 20th Infantry Regiment here.

He is the father of 16 children, eight of whom are dependent on him. Counting himself, his wife and his mother who lives with him, De LaRosa has \$6,600 to credit in exemptions against his income, which is less than that.

So the De LaRosas spend their money on themselves. And it's a good thing that they can.

Humanity is alone real; the individual is an abstraction. —Auguste Comte.

There is nothing either good or bad, but thinking makes it so.

4-H CLUB MEETS

The fifth and sixth grades of Perquimans County Central Grammar School held a joint 4-H Club meeting in the auditorium on March 28 at 10 A. M. Each grade held its own business meeting and the fifth grade presented the program using stories and songs.

R. M. Thompson introduced Bobby Matthews who gave a demonstration on artificial respiration. Several boys and girls were used in the demonstration.

The 7th grade 4-H Club of the Central Grammar School met on March 28 in the school auditorium. Carroll McDonnell presided over the meeting. The minutes were read and approved.

R. M. Thompson County Agent, introduced Bobby Matthews, who gave an interesting demonstration.

IN MEMORIAM
Willie J. Stanton

We, the deacons of Mt. Sinai Baptist Church, consider it a privilege to write these words in appreciation of the beautiful life lived by our co-worker, Mr. Willie J. Stanton, who passed into his eternal reward December 15, 1955, at the age of 80.

Mr. Stanton was always loyal to the support of his church which he served as superintendent for 16 years. Over 50 years ago he was made a deacon, and he remained faithful to this position until ill health forced his resignation, at which time he was made an honorary deacon for life.

In our midst he was a devoted husband and father, living a life inspiring to others. Though our hearts were made sad by his passing, we are thankful that he lived among us, thankful for his loyal devotion to his church and community, and thankful for the influence for good which his life depicted.
