A report was made to the Board sale held on April 27. The action available some six months later. of this board now confirms the proposed sale, since the Board of Education, co-owners of the property, approved the transaction last Thursday night. High bidder for the property was a committee representing the Perquimans Recreational Association.

At the request of a number of citizens of Hertford the Board passed a resolution designating the area of the Town of Hertford as a bird sanctuary, as provided for under the general statutes of the designated sanctuary.

Mayor Darden gave the commisa number of items expected to be as members of the organization.

Bids for the purchase of a new shown by the representatives indi-potent work for the town, were covered the fans can expect a sum-opened during the meeting and low mer of good baseball games, with bid was submitted by the Hollo-well Chevrolet Company. This bid for a new truck was \$1,589, while Mayor Darden and Commissioner leased soon. Henry C. Sullivan for further

To Keep Planting **Within Allotment**

Every year, some farmers in Perquimans County are greatly inconvenienced by having planted in excess of their allotment on one of the basic crops. Helene W. Nixon, Perquimans County ASC Office he extends a personal invitation to Manager, issued a reminder today to all Perquimans County farmers that it is definitely their responsibility to plant within their acre-

Every year, a few farmers over the county, on having their acreage a demonstration of arrested land- measured by ASC personnel, find ings in which will be used Marine that they have overplanted. Many money out of their pockets to have The national theme for Armed a representative of the ASC County Committee witness disposition of the excess acreage. Other farmers make a deposit with the ASC pocketbook, and in every case, the time lost by these revisits to the farm is a great inconvenience to the farmer.

That's just one of the reasons the farmer should remember that it is his responsibility to plant within his acreage allotment, Miss plants, fertilizer and labor.
