# Industrial Group In Meeting With Top State Officials

A 12-man delegation represent-Elizabeth City, Hertford and Edenton was in Raleigh Tuesday conferring with Governor Luther Hodges and members of the industry for the Albemarle area. The group, members of the re-

dustrial Committee, met with day. Governor Hodges at 3 o'clock Your home newspaper also and later conferred with William P. Saunders, director of the Department has secured a time Board of Conservation and Development, and Ed Kirk about the situation within the three pany for some \$2.8 million work counties.

Governor Hodges, after being advised by the group it was contract may be forthcoming seeking the Governor's influence within the next 30 days. in channeling new industry into the Northeastern section of the State, promised he will give all Reed Rites Held the support he can to he pro-

The Governor commended the group on the organization of the Tri-County unit, stating the unity showed a determination on the part of the counties to bring industry into the community. He cautioned the group, however, not to expect miracles because securement of new industry cannot be achieved over night.

The meeting with the officials of the Board of Conservation and Development, while helpful to the group in securing information as to the ways and means to perfect an organized program to entice industry here turned

Saunders and Kirk told the group the C & D Board had contact with about 18 per cent of the new industries coming in- County and resided at 114 Grubb ties conducted in connection Washington reports stated possito the State and the remainder Street, Hertford. He was the son sought information as to sites and town locations through other sources. The C & D officials of Mrs. Minnie Winslow Reed. told the Albemarle delegation the ultimate success lay with the dustry that might move into one of the three counties.

Max Campbell.
