WHILE CAR PRICES WENT UP THROUGHOUT THE INDUSTRY, THE PRICE OF THIS CAR WENT DOWN

Here's good news: Ford has priced many of its '58 models lower than corresponding 1957 models! Ford Custom 300's are priced as much as \$50 lower than last year. This is based on a comparison of manufacturers' suggested retail delivered prices.

Who'd ever guess it's the lowest priced of the low-price three

In case you haven't yet gotten around to pricing this elegantly styled 58 Ford Custom 300, put your mind at ease. When you compare manufacturers' suggested retail delivered prices, you'll find that this Ford is priced lower than any sedan in its field. And Ford has the lowest-priced station wagon and convertible, too!

But price isn't everything. The 58 Ford was the first car ever to use the whole world as its test track! This meant taking the all-new Interceptor V-8, combining it with new Cruise-O-Matic Drive, and tackling some of the roughest roads we could find on three continents. This terrific power team proved it could handle any driving you'll ever do!
