

Contributions To Heart Fund Total \$25.03 For County

R. L. Stevenson, Perquimans County Heart Drive treasurer reports that \$226.03 has been realized thus far from the Heart Drive solicitations. However, as this report goes to press, all the solicitors have not turned in their collections. While expectations for this year's drive are not as great as last year's because of local economic situations it is hoped the Heart Drive will net more than this report shows. Business houses have not been canvassed but Mrs. J. L. Harris, Perquimans County chairman of the Heart Drive,

asks that any who wish to make a contribution to this worthy cause may do so by mailing their contributions to Mr. Stevenson, Box 291. Also, anyone in the town or county who was not reached by a solicitor on Sunday or early this week and wishes to make a contribution can still send it to the county treasurer. The names of two captains working in the county not printed in last week's paper are Mrs. Joe Perry, Jr., and Mrs. Clinton Ray, Winalow.

Mrs. Harris wishes to thank all the volunteer workers who helped with the drive and the public for the fine reception they gave these workers as they called Sunday afternoon.

Methodist Laymen In Annual Meeting

Approximately 500 Methodist laymen gathered in Hertford last Friday for the annual district rally for the Elizabeth City District.

A fellowship dinner and pictures featured the program from 5:30 to 7:30 o'clock after which the group heard an address by Dr. F. Olin Hunt.

A large number of laymen from the Manteo, Currituck and Manns Harbor areas were unable to attend because of highway bridges and ferries had been closed to traffic.

Fred Ritter, District Lay Leader, presided over the meeting.

March Of Dimes Fund Now \$788.72

Contributions to the Perquimans County March of Dimes now total \$788.72, it was reported last Tuesday by Henry C. Sullivan, fund treasurer.

Due to numerous causes this campaign has lagged but the officials of the county committee desire to bring the drive to a close therefore solicitors are urged to make final reports to Mr. Sullivan by the end of this week.

Individuals who have not been contacted by March of Dimes solicitors, and who desire to contribute to this cause are asked to do so by sending donations directly to Mr. Sullivan at S and M Pharmacy.

LIBRARY NEWS

The Perquimans County Library calls the attention of its patrons to a collection of books suitable for Lenten reading. In this collection are books which represent the thought of several Protestant denominations and the Catholic faith.

In presenting a Protestant list of books for Lenten reading, Bishop James A. Pike says, "Many people have acquired the habit of taking on something additional in Lent, and there are few things more important for us to take on than reading, which will elevate our knowledge of our religion."

In presenting a Catholic list, Jim Bishop quotes: "The authority of the writer should not affect you, whether he be of little or great learning, but let love of the plain truth lead you to read."

This library does not have all of the books on either of these lists, but it does have some from each list, together with more than 75 other titles that may well serve as good Lenten reading. The list is too long for printing, but it contains books by many eminent authors. The public is invited to avail themselves of the library services at all times, and especially in this pre-Easter season.
