

MEETINGS
Perquimans High School held its 4-H Club meeting on February 5. The meeting was called to order by the president, Carroll McDonald. The group sang some round songs. The boys then went to the projection room for a forestry demonstration by Richard Bryant. Mrs. Paige L. Underwood gave the girls a very impressive demonstration on ironing.

The two fifth grades of Perquimans Central Grammar School held their regular 4-H Club meeting on February 5. The meeting was called to order by the president. The president turned the meeting over to the program chairman, Ann Nowell. Brenda Byrum read a Bible story and had prayer. Nancy Bundy, Marcia Copeland, Ivey Stokely and Wayne Winslow sang "What a Friend We Have in Jesus" and were accompanied at the piano by Mrs. Lucille Hite. Then Carolyn Elliott read a poem entitled "Abraham Lincoln."

The fifth, sixth and seventh grades met in the school lunch room January 12. Connie Sawyer called the meeting to order. Mrs. Underwood announced the grades that the County Council meeting will meet Thursday night at the Agricultural Building. Richard Bryant took the boys in the library to give a forestry demonstration, while Mrs. Paige Underwood talked to the girls about what they could do

and the 4-H Pledge. Jerry Whedbee had the devotional. Mary Frances White played some records. The minutes were read and approved. The boys and girls separated for their meetings with the Extension agents.

Mrs. Paige Underwood gave a demonstration on ironing. The meeting was then adjourned.

The 6th grade meeting was called to order by Beth Hurdle, president of the 4-H Club. The group stood and said the American and 4-H Pledges. Patricia Colson had charge of the devotional. The program was on Lincoln's birthday. The secretary read the minutes of the last meeting. The program was then turned over to the agents. Sandra Morgan told about her 4-H crafts project, braiding a wool rug.

The Winfall 4-H Clubs made two displays in the school Library Monday night for the PTA Library dedication service. The girls' theme was breakfast and the boys' was forestry.

Each classroom had one girl working on the exhibit "Up and Atom With a Good Breakfast." Judy Long and Ellen Wood, fifth grades, Nancy Bateman and Beth Hurdle, sixth graders, Celtic Long and LaVonne Lamb, seventh graders, represented their 4-H Clubs in working on the exhibit.

"The girls worked beautifully together and selected a very meaningful subject to display," stated Mrs. Paige Underwood, assistant Home Agent.

CARD OF THANKS
I want to thank my friends and neighbors for their acts of kindness shown me during my illness. For the lovely cards and flowers, gifts, trays and prayers. "Thanks" to every one of you.
MRS. PRESTON NIXON.

CARD OF THANKS
I would like to take this means of saying thank you to my many friends and neighbors who were so nice to me during my illness at the Albemarle Hospital and since my return home; for the beautiful cards, flowers, visits and most of all for the prayers lifted in my behalf. These kindnesses will always be remembered.
MRS. JESSE HARRELL.

IN MEMORIAM
In memory of Junior B. Miller, who departed this life one year ago, February 27, 1957.

One year today has passed and gone. Since you left us sad and alone; To go and be with Him on High Some day we will meet again and never to say goodbye.

Without a word, or wave of hand You left to join a Heavenly Band. Through this valley we all must tread,
But we know you are waiting for us ahead.

Flowers we gently place on your grave; They soon wither and decay. But sweet your memory we will hold so dear,
Not just now, but year after year.
—THE FAMILY.

A call like this certainly doesn't demonstrate the most dramatic use of a telephone. But it does, we think, show how much we have come to depend on telephone service. What else offers so much value for so little money?

JEFFERSON STANDARD

REPORTS TO POLICYHOLDERS

This 51st Annual Report reflects another successful year of operations for Jefferson Standard.

Life insurance sales for 1957 were \$229,822,210, an increase over 1956 of nearly \$6,000,000. Total insurance in force as of December 31 amounted to \$1,708,566,863, an increase of 7.8% for the year.

At the end of the year, Company assets amounted to \$496,805,341, an increase of \$33,870,398 during 1957.

Payments to policyholders and beneficiaries in 1957 amounted to \$23,292,416, 63% of which went to living policyholders. During the half century of Company service just closed, the basic purpose of life insurance has been served by the payment of more than \$321,921,296 to our policyholders and beneficiaries.

Jefferson Standard, now guaranteeing 2 1/2% on policies currently issued, has never paid less than 4% interest on dividend accumulations and on policy proceeds left with the Company to provide income. 4% is the highest rate paid by any major life insurance company in the United States. This means extra income to policyholders and beneficiaries.
