

Primary Election Is Scheduled To Be Held On Saturday

Voting booths in the six precincts in Perquimans County will be open between the hours of 8:30 A. M. and 6:30 P. M., Saturday, May 31, for holding the Democratic primary election, it was reported today by W. A. White, Chairman of the Perquimans Board of Elections.

Local voters will cast ballots for state and county offices, nominating candidates for the general election next November. Mr. White stated eight local contests will be decided in the election tomorrow.

Three candidates, J. Emmett Winslow, William Copeland and A. Pilston Godwin, Jr., seek election to the State Senate.

Carroll R. Holmes and James S. McNider, Jr., seek the nomination as County Representative in the next General Assembly.

There are five contests for the offices of County Commissioners. In Bethel Township the candidates are Woodley Bundy and Warner Madre; in Belvidere Township three candidates seek the post: Emerson Asbell, William C. Chappell and Elwood Nowell; Hertford Township candidates are Archie T. Lane and Harry Winslow; seeking the office from New Hope Township are R. L. Spivey and Jack Benton while the race in Parkville is between Thomas Nixon and George W. Baker.

A six-way race is on for the five positions on the County Board of Education. Candidates seeking the offices are Dr. A. B. Bonner, Mrs. Jack Brinn, Mrs. A. R. Cook, Clarence C. Chappell, Sr., C. C. Harrel and H. B. Matthews.

Five other county officers, without opposition, will be certified as candidates for re-election.

County voters will also cast ballots upon a proposition to determine whether or not the county will provide supplementary funds to enrich the school program in Perquimans County, as proposed by the Citizens Committee for Better Schools and adopted by the Board of Education.

The balloting on this proposition was ordered by the Board of Commissioners.

Commissioners To Meet Next Monday

The Board of Commissioners of Perquimans County will hold its June meeting next Monday, June 2, in the Court House, beginning at 10 A. M. Final action on a proposed budget for the fiscal year starting July 1, is expected to be considered by the Board, and a tax rate set for 1958-59.

Individuals desiring to confer with the Board are requested to note the time and place of meeting.

Indians Shaping Up For Opening Game On June 9

Prospects for the Perquimans entry in the Albemarle League are good, according to Manager Ike Perry, who has been conducting a series of pre-season practice sessions in selecting the lineup for the team.

Leading candidates for the team include Parker Chesson, Ted Chappell, Paul Matthews, McKay Riddick, as pitchers; D. A. Carver and Billy Nixon, catchers; Phillip Trueblood, Johnny Morris, Demp Pierce, Tommy Matthews, Marvin Hunter, Richard Wheeler, Welly White and Clyde Briggs.

Manager Perry stated practice sessions will be continued between now and the opening game on June 9, and players desiring to try out for the local team are requested to meet at the high school field each afternoon.

Two pre-season games have been scheduled with the Edenton club. The first of these will be played in Edenton on Thursday, the second to be played in Hertford next week.

The Indians will open the season on June 9 at Edenton and will play Edenton in Hertford on Tuesday, June 10. Season tickets for the local games are now on sale at reduced prices and the duets may be purchased from any member of the board of directors of the club.

Interest Shown In Organizing Local Historic Society

A rain, stormy at times and a steady drizzle at others, did not dampen the enthusiasm nor deter many of the lovers of history who gathered in Hertford last Sunday to tour historical Perquimans County.

Preceding the tour, the group was addressed by Mr. Corbett of Raleigh on the subject of organizing a local historical society. The enthusiasm shown by the more than 35 people of Perquimans and other nearby areas expressing interest in the organization, led to a temporary organization with Captain Nathaniel Fulford and Mrs. S. M. Whedbee being named temporary chairman and secretary respectively.

Officials of the State Historical Society and residents from many other counties, including Guilford, Wake, Vance, Orange, Moore, Martin, Bertie, Currituck and others, followed the lead car of Jesse F. Pugh of Camden County, one of the State Historical Society vice-presidents, who organized the local tour and pointed out the places of interest, first in the Durants Neck section of the county and the Little River area and back through the village of Woodville.

After lunch in Hertford, the group departed for a scheduled trip to Harvey Point and the old Harvey family farm.

Bethel Baptist Church, where Mrs. Morris Griffin gave a brief history of the 152-year old church.

Next on the itinerary was Piney Woods Friends Meeting House. Here in the quaint old structure, the pastor, the Rev. Earl Redding, and Mrs. Grace Ward gave an interesting review of the Friends Meetings which were first held in this section in 1675.

Finally, the party paused for a look at the Exum Newby house in Belvidere, built in 1767, then disbanded and departed for their respective homes.

Receive Degrees At Chowan College

Five students from the Hertford area, William Eugene Byrum, son of Mr. and Mrs. Eugene Byrum, Sheldon Jean Long, daughter of Mrs. S. M. Long, Jesse Ray Mansfield, son of Mr. and Mrs. S. J. Mansfield, Barbara Jean Russell, daughter of Mr. and Mrs. Crofton Russell, and Derl Gray Winslow, son of Mr. and Mrs. H. J. Winslow, received Associate of Arts degrees at commencement exercises conducted Monday at Chowan College in Murfreesboro.

MARSH TO MEET

The Perquimans Masonic Lodge, No. 109, A. F. & A. M., will meet Tuesday night at 7:30 p. m.

WOULD MAKE STRONG MEN WEEP—The largest illegal moonshine operation uncovered in Pittsburgh, Pa., in the last five years comes to an abrupt end. Police, at left, hold a barrel of bootleg whisky preparatory to dumping it. Photo at right shows the bootleg whisky cascading down.

Pupil Assignment And Fiscal Items Adopted By Board

Meeting here in special session last Monday night, the Perquimans Board of Education, in compliance with state law, adopted a resolution assigning pupils of county schools for the 1958-59 term, beginning next September, it was reported by J. T. Biggers, county superintendent. A copy of this resolution is published in this issue of The Weekly.

A number of important matters were handled by the board during a rather long meeting, including adoption of a new schedule of classes for Perquimans High School which provides a flexible program for activities so not to interfere with the curriculum.

The board approved the election of G. W. Underwood to a position as science teacher at Perquimans High School. He will teach chemistry, physics and biology.

After much discussion, the board adopted a tentative supplementary budget for the general school fund calling for an outlay of approximately \$7,750, in the event the proposal for supplementary funds is approved by the county voters in the election on Saturday. These funds, if made available, will be used during the 1958-59 school term to provide a public school music teacher, a librarian at the Hertford Grammar School, one part-time teacher at Hertford Grammar School and equip the vocational department at Perquimans High School.

The board voted to request a special tax of 10 cents to provide the funds for the above program.

The board also adopted a motion granting use of school grounds after 1 P. M. on Sundays, providing individuals seeking use of the grounds are supervised by a responsible person.

The superintendent of schools was authorized to close his office all day on Saturdays during the summer vacation months starting in June and ending in August.

Approval was voted by the board for 12 repair projects to be carried out at the various schools during the summer.

Bible School To Open On June 6

Vacation Church School for boys and girls ages 4-12, will begin on Monday, June 2, at the First Methodist Church, Hertford. Hours will be from 9 until 11 o'clock each morning through Friday, June 6.

Special activities, Bible study and adventures in Christian living have been planned for each of three age groups, who will have the following persons as their leaders: Kindergarten, Mrs. Ray White, Mrs. Ray Haskett, Mrs. Paul Smith, and Mrs. Elbert Taylor; Primary, Mrs. H. C. Sullivan, Mrs. H. W. Winslow, Mrs. Charles Harrell, Mrs. J. L. Harris and Miss Letitia McGooan; Junior, Mrs. R. S. McGooan, Mrs. James Haskett and Mrs. M. J. Blanton.

Proposal On Better Schools Program Before Voters Sat.

Voters in Perquimans County will, in addition to selecting officials at the election on Saturday, May 31, cast ballots on a proposal to allow increased support of schools as advocated by the Perquimans County Citizens Committee for Better Schools. All registered voters, regardless of party affiliation, are eligible to vote on this proposal.

If approved, the proposal gives the Board of Education authority to spend not more than 30 cents per \$100 property valuation for supplementing the general school fund. This 30-cent rate, according to the Citizens Committee, will replace the 20-cent rate used this year for capital outlay in completing and equipping the county's two new schools. The committee has pointed out during the campaign that there are other needs which are urgent, such as extra teachers not supplied by state funds, improved facilities for libraries and science departments, secretarial help and public school music. Without a vote by the people, school officials have no authority under the law to spend tax money for these above causes.

The committee points out if the proposal is approved by the voters it will not require school officials to spend as much as the 30 cent rate would allow but only so much of that amount as seems needed from year to year.

For the past several years Perquimans County has provided, from local county funds, approximately \$38,000 for maintenance of schools. Although school officials have authority to spend more than that for regular upkeep of schools and for capital outlay, they have no authority to spend tax money for the other causes proposed above, without approval by a vote of the people. Almost all funds for teachers' salaries are paid by the state, amounting to about \$400,000 each year for the Perquimans schools.

In the opinion of the committee, if the Citizens Committee proposal is approved on May 31, the county will begin to assume more of its rightful share of the responsibility for its schools.

Mrs. H. C. Sullivan and Floyd Matthews, co-chairmen of the committee, announce plans for a motorcade to cover Perquimans County on Friday, May 30, to remind voters to go to the polls. The committee requests any person who wishes to join the motorcade to stop at the Hertford Grammar School at 11:30 p. m. on May 30. The group will stop at Onley's store in New Hope for refreshments.

The Citizens Committee at its meeting May 24 adopted resolutions of thanks to the Hertford Jaycees for defraying the cost of the Better Schools rally which Ray Wilkinson addressed on May 3, to the Hertford Grammar School PTA and the Central Grammar School PTA, for the "Vote For Better Schools" campaign and to "advertisers

THIS WEEK'S HEADLINES

President Eisenhower has signed a postal rate bill which will increase costs of mailing all types of letters, cards, newspapers, magazines and circulars. First class mail rates will be effective August 1, while other rates will take effect next January. Included in the bill is a pay raise for all employees of the Post Office Department.

The tug-o-war over control of the French government continued this week but there are indications General DeGaulle will eventually emerge as the premier. The French National Assembly rallied to the support of Premier Pompidou on Tuesday, but a report stated Pompidou is ready to resign in favor of DeGaulle.

Washington reports this week state Congress has had a change of heart concerning a tax cut this year and there is little likelihood changes will be made in either excise or income tax levies. Government officials, including the President, point out the U. S. economic picture is improving and the need for recession measures is decreasing; therefore, taxes should remain at present levels as a means of overcoming deficit financing.

Unemployment is expected to reach new highs during the month of June due to school students leaving classes for jobs. While this is a seasonal situation, government officials report the demand for unemployed compensation has shown some decrease and the overall economic situation is improving in a number of manufacturing fields.

Two unknown soldiers, one from World War II and the other from the Korean War, have been selected to rest in honor next to the unknown soldier of World War I in Arlington Cemetery in Washington. Final selection was made this week by a Medal of Honor sailor aboard a ship off shore near Norfolk. Rites for the veterans will be conducted in Washington Friday.

Cancer Fund Now Totals \$1,157.78

Mrs. F. A. McGooan, treasurer of the cancer fund drive, reported this week contributions to this campaign have reached \$1,157.78, and of this amount 40 per cent will be retained in the county for use by the county unit of the Cancer Society.

The Society and BFW Club which sponsored the drive, expressed appreciation to the public for the generous support given this 1958 campaign.

Commencement At Perquimans High Wednesday Night

Perquimans High School conducted its 33rd annual commencement last Wednesday night, with the awarding of diplomas to 56 members of the graduating class.

Following invocation by Ervin Mansfield, three seniors, Jean Edwards, Beth Skinner and Rachael Spivey, gave addresses on the potentialities of Perquimans County.

During the program, Sophia Godfrey, in behalf of the class of 1958, presented the school a water cooler as a gift from the class.

Diplomas were awarded by Clarence C. Chappell, Sr., chairman of the Board of Education, after which Patsy Elliott gave the valedictory.

E. C. Woodard, principal of the school, presented the following medals and awards to:

Chief medal and name on plaque, Rachael Spivey; Sportsmanship, Babe Ruth awards and name on plaque, Jimmy Batts and Kay Matthews, Activities, Hazel Matthews and Rachael Spivey; Citizenship, high school, Kay Matthews, eighth grade, Franklin McGoogan; Dramatics, Sonny Matthews and Iris Wilder; Outstanding undergraduate, Beverly Tucker; Debates, Jean Edwards Ray Winslow, Rachael Spivey and Ann Lane; Glee Club, Shirley Tarkington and Letitia McGooan.

Journalism—Yearbook, Rachel Spivey, Newspaper, Patsy Elliott and Business Manager, Jean Edwards; Student Council, Kay Matthews; Highest grades in school, Mrs. B. G. Koonce award, Pauline Baccus; commercial BPW award, Beth Skinner; Buck plaque for agriculture, Irving Mansfield; Will Chappell award for highest grades in agriculture, J. D. Hollowell; DeKalb award for excellence in agriculture, Aubrey Baccus; American History award, by WOW, Beverly Tucker; Bus drivers' watch, Dempsey White.

Final exercises at the school were conducted Thursday morning when 8th grade promotion certificates were awarded. The speaker was D. E. Hervey. Following presentation of the certificates, perfect attendance certificates were awarded as were bus driver awards and athletic emblems.

Navy Obtains Bids On Three Projects Harvey Point NAS

Poppy Day

Saturday, May 31, will be observed as Poppy Day in Perquimans County, and members of the Auxiliary of the Wm. Paul Stallings Post of the American Legion, urges everybody to buy and wear a poppy in memory of the war dead.

Mrs. Thomas H. White, co-chairman of the Poppy Day sales, announced all children who are volunteer workers are asked to meet at the Court House poppy booth at 5 P. M. They will be given a wiener roaster later.

Low bids, totaling more than \$3,936,500, were received by the Navy Department for construction projects at the Naval Air Station, Harvey Point at the offices of the Fifth Naval District in Norfolk last Tuesday afternoon.

A Navy spokesman announced contracts for this work are expected to be awarded within the next few days, and work probably started on the projects within the next 30 days.

The three projects on which bids were received were a Boat-house and Operations Building, fueling facilities and roads and utilities. Low bid for the boat-house, in the amount of \$458,200, was submitted by Diamond Construction Co., of Savannah, Ga.; while low bid for the fueling facilities in the amount of \$1,498,381 was submitted by A. J. Jenkins & Son of Warsaw, N. C. A bid of \$1,980,000 was submitted for the construction of the roads and utilities by Malan Construction Company of New York.

It was reported a bid of \$443,561 for the boathouse project, submitted by J. T. Hardison, was in the mail at the time these bids were opened but thus far there has been no confirmation as to the bidding on this job.

In addition to the above projects scheduled for construction at the local Air Station, Rear Admiral A. J. Fay, Officer in Charge of Construction for the Fifth Naval District, has issued invitations for bids on two more projects at the site. Bids are sought for construction of communications facilities and these will be opened at the Navy Office in Norfolk on June 17 at 2 o'clock in the afternoon. Estimated costs for this project range from \$250,000 to \$500,000; the second project offered for bids, which will be opened on June 19, will be construction of a heating plant and distribution system. Estimated costs run from \$500,000 to \$1 million.

About 125 persons are now employed at the base, and this figure, according to Ralph Hall, chief inspector, is expected to increase as new projects get under way in the very near future.

Rev. Clark S. Reed To Assume Duties

The Rev. Clark S. Reed, of Durham and Fort Lauderdale Florida, will assume summer pastoral duties at First Methodist Church, Hertford, on Sunday, June 1, it was announced this week by the pastor, the Rev. James A. Auman, who will sail on June 3 for a ten weeks mission tour of Europe.

Mr. Reed comes to Hertford from Durham, where he has recently completed his work for the B. D. degree at the Divinity School of Duke University. He is also a graduate of Davidson College, and has served as summer associates at Brevard, Davidson and Maysville, N. C. For the past year he has been Associate Chaplain of the Methodist Church at Duke University. He is married to the former Miss Patsy Beam of Shelby, who will join him in Hertford when she has completed her year's teaching in the Durham schools.

HD County Council Planning Projects

The HD County Council met this week with Mrs. Warner Madre, vice president, presiding. After a devotional given by Mrs. Roy Nixon, much important business was discussed. Mrs. Fred Matthews, County Song Leader, gave a report on a special music program that she made possible during the month of May. Mrs. Matthews visited the local Home Demonstration Clubs and after giving them several pointers on things to remember in singing, she taught the group the songs that are in their year books and others that are in their new song books. Mrs. Madre announced that Farm and Home Week will be June 9-13 and that all Home Demonstration members who would like to attend should please let the Home Agent's office know by June 1. The secretary,
