

### Boarding-Nursing Homes On Increase

The number of Board and Nursing Homes in Pasquotank-Perquimans-Camden-Chowan Health District has steadily increased until this number now totals 21 homes, housing 109 persons. Three new nursing homes are now contemplated. A breakdown shows: Pasquotank County with 9 homes and 26 persons; Perquimans County 6 homes and 63 persons; Camden County 3 homes and 12 persons; Chowan County 3 homes having 8 persons. Persons being cared for in these homes consist of public assistance cases, children, private cases, and widows of veterans. These boarding homes absorb a number of patients released from State hospital.

A Boarding or Nursing Home must comply with Building Codes, Fire Regulations and sanitation requirements in order to be licensed by Welfare Department. A Nursing Home also must meet institutional requirements. These homes are inspected periodically by local sanitation department. Health Department nurses visit these homes upon request by State and local officials.

Periodic workshops are held by the home operators. Also attending these meetings are State nutritionist and dietician, State and local Welfare Department staff members, as well as prospective boarding and nursing home operators.

### KNOW YOUR SOCIAL SECURITY

P. E. Bettendorf, representative of the Social Security Administration, is in Hertford the second Wednesday of each month at the Perquimans County Court House.

Some important changes have been made in the old-age and survivors insurance program as a result of the Social Security Amendments of 1958 which President Eisenhower signed into law on August 28, 1958.

All of the changes, directly or indirectly, affect the American public as a whole. Working persons—employed and self-employed—need to know about them; their families need to know about them.

In the articles to follow I shall describe the changes singly and in detail.  
Most important, because it affects practically all working people and their families, is the increase in benefit amounts. This applies to those now getting benefit payments and to those who will become beneficiaries in the future. Most monthly benefit checks will be about 7 per cent higher, with a minimum increase of at least \$3.00 in the amount payable to a worker who retired at age 65 or later. (Women workers who began to receive benefits at any time between age 62 and age 65 will receive slightly smaller increases). The maximum monthly payment a family may receive is increased from \$200 to \$254 a month. Families now receiving maximum monthly benefits under the law will receive increases from \$7.50 to \$54 depending upon the deceased worker's average monthly wages.

Right here I want to point out that people now on the beneficiary rolls do not have to get in touch with the social security office to obtain these benefit increases. The larger amounts are effective with January and will show up on benefit checks for that month which will go in the mails early in February.

As you know, benefit amounts are figured from a working person's average earnings. Right now, only earnings up to a total of \$4,200 in a year can be credited to a worker's social security account. Beginning with 1959, however, earnings up to \$4,800 will be creditable and taxable for social security purposes.  
Social security taxes will be increased beginning with 1959. An employed person will have 2 1/2 per cent taken out of his pay instead of the present 2 1/4 per cent; his employer will contribute 2 1/2 per cent also. The self-employment social security tax will be increased 3/8 of 1 per cent and will become 3 1/8 per cent of net earnings up to \$4,800 in the year. Self-employed people will pay at

town, about 1778, Robert and Sarah De Crow purchased land northward from Skinner's Bridge, Crow Point being a part of this land, and so called because of the name. Let us hope it will always stay as it is, a kind of memorial to the long forgotten De Crows.

### MADRE FAMILY REUNION

The home of Mr. and Mrs. Manuel Bartlett of Camden was the scene recently for the annual Madre family reunion with 7 relatives and friends attending.

An old-fashioned picnic dinner was served on the spacious lawn. The Rev. A. L. Robbins, pastor of the First Christian Church of Elizabeth City offered thanks "for the beautiful tables and the blessing of family gatherings."

In the afternoon home-made ice cream and cake was served to the guests which included, besides the host and hostess, the following: The Rev. and Mrs. A. L. Robbins and children Melodi, Stenie and Mary Lynn, Mr. and Mrs. Taubert V. Sexton, Jr., and daughter Sandra Carol, Mr. and Mrs. Waldo E. Rogerson, Mrs. F. V.
