Baseball League Folds Without Usual Playoff

A hassle which developed in the final week of play during the regular Albemarle League season caused the league to fold up without the usual playoff to determine the league championship.

According to reports, Camden protested a game played and won by Hertford, charging that Hertford used a non-listed player. At a meeting of the league, held in Hertford Wednesday of last week, this protest was upheld by the league president, but a demand that all Hertford games, in which Joe Rogerson participated be forfeited was denied.

After a three hour discussion no agreement was reached concerning a league playoff and Hertford representatives submitted a request to the league president for first place award for the season.

Final standing of the regular league season was reported as follows:

	W.	L.	Pct.
Hertford	15	8	.652
Piedmont	12	12	.500
Belvidere	10	14	.417
Bethel	9	15	.375
Nicanor	8	16	.333
Parkville	7	17	.294

THIS WEEK'S HEADLINES

Washington reports this week predict the Congress will enact a labor bill, before adjournment, aimed at curbing racketeering within labor unions. The House opened debate on three proposed bills this week but thus far the party leaders refuse to predict which bill may be the one adopted. Since Congress is expected to adjourn before September 15, and has other important legislation to consider, a compromise may be worked out as to a labor bill.

Reaction to the coming visit to the U. S. of Russian Premier Khrushchev is mixed. While top government leaders are hopeful the visit will lead to a relaxation of cold war tactics, some officials doubt the wisdom of the invitation. Meanwhile President Eisenhower will leave for Europe August 27 to confer with Western Allies prior to the Khrushchev arrival in Washington.

Lt. Gov. Luther Barnhardt announced Tuesday he will not be a candidate for Governor in 1960, thus reducing, by one, the field of prospective candidates. Reports from Raleigh had linked Mr. Barnhardt with backing of the Hodges administration but these were not confirmed.

Foreign ministers of American nations, meeting in Chile this week, are expected to study conditions existing in the Caribbean area leading to plots and counter-plots of a revolutionary nature. Cuba's Fidel Castro, faced with additional trouble in his own country, is not attending the conference.

The government announced Tuesday that employment records for July showed 67.5 million Americans had jobs while 3.7 million were unemployed. The figures showed an increase in jobs over June for those employed and a drop in unemployment.

Local Girls Place In State Contest

"A New Treat With a Beet" was the title of the first runner-up 4-H State vegetable and fruit use demonstration given by Eva Ann Smith and Phyllis Hendren of Perquimans County.

The demonstration was given at 4-H Club Week at State College in Raleigh. The girls represented the Eastern District in competition with other districts in North Carolina.

"A New Treat With a Beet" depicted many variations of serving the common table beet. The girls told how beets can serve as one of the fine vegetables needed daily and how they help to supply the body with many needed vitamins and minerals. Beets add a bright color to meals. One should leave two inch stems when cooking beets. There are many varieties of beets grown in North Carolina. They can be prepared in such a variety of ways that everyone is sure to like them. The girls showed how to make a beet relish cup and served it as a salad with complete luncheon. They showed how beets can be used in marmalades, relishes, soup, cookies, sandwiches, muffins and the tops for greens. A floral arrangement was made from beet leaves and small red beets.

Phyllis and Eva Ann have given their demonstration approximately twelve times in the county and state.

REVIVAL SCHEDULED TO BE HELD ANDERSON CHURCH. Revival services will be held at Anderson Methodist Church beginning Sunday, August 16, through Friday, August 21. The program will be the Rev. Paul

Carolyn Rogerson Wins Blue Ribbon As Health Queen

"Have you seen the morning paper?" shouted Carolyn Faye Rogerson, Perquimans County Health Queen at State 4-H Club Week in Raleigh. "My name is in the blue ribbon group." The night before at the Health Pageant only twelve County Queens in the State were awarded blue ribbons. In the paper thirteen were listed. Among them was Carolyn Faye's name. But when Ila Grey McIlwain, the assistant home economics agent, called Miss Rachel Ferguson, the state specialist and judge, she said the paper had made a mistake.

Carolyn Faye returned to Perquimans County from Club Week disappointed, yet determined to try even harder to improve personal, family and community health.

One week later a letter arrived from Miss Ferguson congratulating Carolyn Faye on her achievements in health improvement and on receiving a blue ribbon in the state contest. Somehow Miss Ferguson had misplaced a list of winners and the last name on the list was not called out. That name was Carolyn Faye Rogerson, daughter of Mr. and Mrs. Charles Thomas Rogerson, Jr., Route 2, Hertford.

In the letter Miss Ferguson wrote, "We feel equally sure that being a good 4-H'er you will understand and still be proud to know that your work merited the honor which you received—my best wishes for continued success in all your 4-H activities."

Carolyn Faye is an assistant 4-H leader of the Belvidere Community 4-H Club. She has given demonstrations concerning health to her club. She has made many family improvements around her farm and home. She has assisted with community activities, funds and drives. She has sold rat poison to people in her community. She prepared first aid kits for the Agriculture Building and for her community building. She leads her club in healthful recreation and has guided the club in two health projects.

Carolyn Faye is interested in the improvement of her health, family health and community. She is doing her part to contribute to the health of the county, state and nation.

Local Firemen Attend Firemen's Convention

Fire Chief R. C. Elliott and Assistant Chief H. N. Nixon, represented the Hertford Fire Department at the annual Firemen's convention held the first part of this week at Durham. The local firemen returned home from the convention Wednesday

Sponsors Predict "Red Letter" Day For Farm Festival

Information Only

Property owners who have mistakenly believed their property was being revalued during recent visits of employees of the Carroll Phelps Company are advised today by Allen Carroll these employees are not revaluing the property but merely obtaining information needed in connection with the program.

Mr. Carroll informed this reporter property revaluation, as conducted by his company is a "two-phase" program. Locally employed persons conduct the first phase by visiting the property and securing needed information, which is recorded on a permanent record card. This information is used to classify property and is used by appraisers who will come here at a later date.

Mr. Carroll stated the experienced appraisers of his company will come here for the purpose of revaluating the property after the first phase of the work—that of gathering the information, has been completed by the locally employed persons.

Local Club Women To Attend Craft Workshop Aug. 18

The Eastern District Craft Workshop is becoming more popular with Home Demonstration Club members and non-club members. The women consider it a wonderful three day vacation on Roanoke Island, Manteo.

August 18, 19 and 20 will be the date of the fourth annual Crafts Camp. For many of the women it will be a reunion of friends which they met during previous workshops. Along with free time to enjoy the beach and The Lost Colony, the women will be served meals by the 4-H Camp dietetic staff. These meals were declared delicious by those who attended last year. The 14 crafts which will be taught by skilled instructors likely will not seem like work to the ladies. Handicraft workshops give the ladies the opportunity to work with their hands for pleasure. The women will find their craft entertaining while "chatting" as they create an article which will be useful and beautiful.

Perquimans County's enrollment has increased from three in 1957 to seven this year. Mrs. Alice Combs and Mrs. Whit Cartwright plan to take Swedish darning; Mrs. Ray Godfrey and Mrs. Ray Perry will learn Italian hemstitching; Mrs. E. J. Proctor, Sr., plans to arrange dried flowers; Mrs. Irma Dorsey is excited over making a feathered hat, and Mrs. Charles White, Sr., will make a refinished chair which she plans to bottom by caning.

Other crafts which will be offered consists of aluminum chasing and embossing, corn suck mats, copper enameling, copper tooling, fabric stenciling, hooked rugs, tin can craft and wood carving. Decorating of Christmas cards, and plastic covered coat hangers will be quickie crafts taught during night sessions.

The expense for the three days is \$2.00 registration fee and \$6.50 for meals and lodging. Two cars will leave Hertford Agricultural Building Tuesday, August 18, at 7:30 A. M. and will return around 4:30 P. M. Thursday.

Mrs. Paige L. Underwood and Miss Ila Grey McIlwain will

MADE STATE CHAIRMAN

Mrs. R. S. Monds, past president of the Hertford Grammar School PTA, has been elected State Chairman of the Goals Committee of the North Carolina Congress of Parent-Teacher Association.

August 26 is a "Red Letter" day for the people of Perquimans County. The reason for this is a Farm Festival will be taking place at the Perquimans High School gym. Civic clubs, Ruritan and Home Demonstration Clubs are co-sponsoring this county event.

Men and women will have the opportunity to enter articles in 18 classes. These articles will be judged on Tuesday, August 25 in order that the exhibits can adorn their ribbon for the big day on Wednesday. The individual man and woman winning the most first premiums (blue ribbons) will be named Mr. and Mrs. Farm Festival in honor of the event. The winners will be announced Wednesday night at a fish fry sponsored by the Jaycees and other civic clubs. An advanced ticket sale has begun with county clubs and organizations distributing and selling the adult tickets for \$1.00 and child tickets for 50 cents. Marion Swindell, president of the Junior Chamber of Commerce, announced that the profits from the supper would be used for the improvement of the Perquimans recreation lot.

Mrs. Colon Jackson, chairman of the Home Demonstration Council concession stand, has requested club members of the eleven clubs to furnish cakes, pies and sandwiches. Eight clubs are to furnish five pies and three cakes or six pies and two cakes while the remaining three clubs are to furnish pimento cheese and chicken salad. Mrs. Jackson remarked that the festival would not be complete without ham and so country ham sandwiches will be sold. The Home Demonstration Clubs have some of the best cooks in the county and can't you imagine how delicious the homemade pies and cakes will be? To provide prompt, efficient service, Mrs. Jackson has asked that each club have two workers on concession stand duty for an hour and a half shift.

The sponsoring clubs and organizations have another big responsibility which determines how successful the day will be. That responsibility is to secure an operating fund. The fund is growing by clubs contributing 50 cents per member. Also, booths are being sold to interested merchants in Hertford. The committee has had excellent response from the merchants and their display booths will be advertising their business.

The clothing department will be manned by Mrs. Vernon Harrell and Mrs. Floyd Matthews. Mrs. L. B. Elliott and Mrs. Wallace Bright will be in charge of the home cooked articles. Canned foods will be checked in by Mrs. C. T. Rogerson, Jr., Mrs. Melvin Colson and Mrs. E. J. Proctor, Jr. Mrs. Josiah Proctor and Mrs. Walton Lane will check in floral arrangements, and arts and crafts will be handled by Mrs. Ray Godfrey and Mrs. (Continued on Page Three)

Local Units Share Intangible Taxes

Perquimans County and the Town of Hertford, late last week received checks amounting to \$7,844.80 in the division of state collected intangible taxes for 1959 as reported by Allen Paschel of the State Board of Assessment.

Perquimans County's share of the collection was \$6,856.67, while the Town of Hertford received \$988.13.

According to Paschel collection of intangible taxes this year ran ahead of collections for last year. However, counties and towns received increased revenue due to a change in the law by the last General Assembly.

Intangible taxes received by Perquimans County are estimated in the preparation of the budget and divided into various funds of its county permitting a lesser tax rate than would be possible without receipt of the intangible taxes.

Town Board Ready To Call Special Election On Bonds

Hertford's Town Board, meeting here last Monday night, indicated readiness for setting a date for a special election seeking public approval for the issuance of \$100,000 in bonds for the purpose of financing the installation of a new water system for the town.

Attorney Chas. E. Johnson advised the board all preliminary work and papers connected with the calling of the election have been approved by New York bond attorneys and the Local Government Commission, and he is now waiting for the bond attorneys to approve the notice of calling the election.

Just as soon as this approval is received the board plans to set the date for the election and plans to hold a public meeting for the purpose of outlining the project to the residents of Hertford.

Mrs. E. H. Cannon appeared before the board and objected to the board making any changes in the area in her neighborhood rezoning the area from residential to business.

A delegation representing residents of the Hyde Park Street area appeared before the board petitioning enforcement of a no truck parking ordinance on that street from Dobb to King Street. After hearing the delegation the board authorized the Mayor to take necessary action to provide the area with relief from the situation.

John Riddick, Negro, presented a request to the board asking that a lot he owns on Brace Avenue being rezoned from residential to business to enable him to establish a wood yard on the premises.

The board also discussed the town ordinance which forbids the storage of dynamite within the town limits, and the Mayor and Fire Chief were authorized to conduct an investigation to determine if his ordinance is being observed.

Mayor Darden advised the board CPAs have completed an audit of the books of the town for the past fiscal year and a review of this audit will be made at a special meeting of the board to be called next week.

Perry Rites Held At New Hope Wed

Funeral services for Mrs. Blanche D. Perry, 78, of the late A. A. Perry of Durants Neck, died Monday in a Clinton, N. J. hospital after a brief illness.

She is survived in addition to her mother, by his wife, Mrs. Ann Gorman Perry, one daughter, Mrs. Marie Perry Suggs of Clintonville, Md., two brothers, Mr. R. and S. T. Perry of Durants Neck, one sister, Mrs. Julia White of Hertford.

Ann Burke Chappell And Roger Wilson Wed On Saturday

The Hertford Baptist Church was the setting on Saturday, August 8, at 3 P. M., for the marriage of Miss Ann Burke Chappell and Roger Allen Wilson.

The Rev. J. O. Mattox performed the ceremony. The bride is the daughter of Mr. and Mrs. Lorenzo Dow Chappell of Hertford. The bridegroom is the son of Mr. and Mrs. Fred Robert Wilson of Syosset, Long Island, New York.

Nuptial music was presented by Mrs. Charles Johnson, organist, and R. S. Monds, soloist. Given in marriage by her father, the bride wore a floor length gown of dull finish satin ending in a chapel train. The empire gown, trimmed with lace and seed pearls, fashioned with a lace bodice buttoned up the back was designed by the bride. Her fingertip veil of illusion was arranged in frothy folds from a coronet-cap. She carried a cascade of lilies of the valley centered with a white orchid.

Mrs. Mary Dow Morgan of Portsmouth, Va., sister of the bride, was matron of honor. Bridesmaids were the Misses Judy Winslow of Hertford, cousin of the bride; Lianne Wilson of Syosset, New York, sister of the bridegroom; Marjorie Shearlin of Weldon, Shirley Gates of Laurinburg, and Mrs. Barbara Bolin Russell of Arlington, Va., and Mrs. Joan Madre Trueblood of Hertford. The bridesmaids wore dresses designed by the bride. (Continued on Page Three)

Receives Degree At Wake Forest

Paul F. Matthews, son of Mrs. Phillip Jackson, Hertford, was graduated from Wake Forest College August 8. He also received his commission as a second lieutenant in the Army. He was one of approximately 90 seniors who received degrees at the summer school commencement exercises. James W. Mason, Laurinburg attorney and one of the state's prominent Baptist laymen, was the principal speaker.

Bethlehem Church To Hold Revival

A series of revival meeting services will be conducted at Bethlehem Christian Church beginning on Monday night, August 17, and continuing through Sunday night, August 23, at 8 o'clock. Inspirational singing and true gospel preaching will be presented each evening.
