

## Chittenden - White Vows Spoken

The marriage of Miss Lula Barbara White, daughter of Mr. and Mrs. Clarence Benton White of Portsmouth, Va., formerly of Hertford, to Ted Wayne Chittenden, son of Mr. and Mrs. Clyde Edward Chittenden of Harlingen, Texas, took place recently at the Christian Church in Portsmouth, Va.

The Rev. Joseph Davenport, Jr., performed the double-ring ceremony in a setting of palms, white gladioli and carnations.

Mrs. Roscoe M. White of Norfolk, aunt of the bride, played the wedding music. Mrs. Manning B. Harrell of Norfolk, cousin of the bride, sang "The Indian Love Call" and "I Love You Truly."

Given in marriage by her father, the bride wore a wedding gown of Chantilly lace over taffeta, styled with a scooped neckline and decorated with sequins. The long lace sleeves came to wedding points at the wrists. The petal bodice accented the fully gathered skirt. Her shoulder length veil of imported illusion was arranged from a seed pearl and sequin tulle. She carried a bridal bouquet of white carnations and centered with a white orchid. Her only ornament was a pair of pearl earrings.

Mrs. Juanita H. Hengel of Hertford, cousin of the bride, was matron of honor. She wore a coffee brown gown of sillorganza with puffed sleeves and carried a bouquet of bronze spisy pom poms with lotus, green nylon trimming. Her only ornament was a pair of pearl earrings, a gift of the

Mrs. R. R. Keaton and Mrs. Stanley Pierce of Hertford, cousins of the bride, were other attendants. They wore light green gowns of silk organza, styled with puffed sleeves. They also carried bouquets of bronze pom poms and wore pearl earrings, gifts of the bride.

Philip E. Franz of New Orleans was best man. Groomsmen were Howard Richard White of Natoma, Kansas, and Benton McGuire White of Portsmouth, brother of the bride.

The mother of the bride wore an afternoon dress of toast brown with three-quarter length sleeves and brown accessories. Her corsage was of red roses. The mother of the bridegroom wore a dark pebble crepe dress with black suede accessories and a corsage of red roses.

Mrs. C. E. Cannon of Hertford, Mrs. F. G. Stanton of Portsmouth and Mrs. L. E. Barrington of Grimesland, aunts of the bride, were mistresses of ceremonies.

Following the ceremony a reception was held in the home of the bride's parents. Mrs. T. T. Harrell of Hertford, aunt of the bride, served the wedding cake. Mrs. T. G. Stanton, Jr., cousin of the bride, presided at the punch bowl.

The couple reside at 4 Smith Road. After Chittenden's discharge from the service, the couple will make their home in Texas. The bride traveled in a dark blue wool sheath with three-quarter sleeves. She wore a blue feather hat and dark

blue accessories. Her corsage was a white orchid.

Out of town guests include: Mrs. W. M. Harrell of Hertford, Mrs. C. E. Chittenden of Harlingen, Texas, Mrs. L. E. Barrington of Grimesland, Mrs. C. E. Cannon, Mr. and Mrs. T. T. Harrell, Miss Cornelia H. Cannon, Mrs. Juanita H. Hengel, Mr. and Mrs. Bob Keaton, Mr. and Mrs. Stanley Pierce and Don and Carlton Keaton, all of Hertford, W. M. Harrell, Mr. and Mrs. M. B. ## ASC Official Says Rules May Effect Cotton Allotment

How recent legislation affects the determination of farm cotton allotments for future years was explained recently by H. D. Godfrey, Administrative Officer for the Agricultural Stabilization and Conservation State Committee.

For 1961 and future years, according to Godfrey, the new law requires that in determining farm cotton allotments, the farm cotton allotment for the preceding year shall be used as the "base" if at least 75 percent of the farm allotment for that year was planted to cotton or regarded as planted to cotton. Therefore, the acreage planted to cotton or regarded as planted to cotton on a farm for 1960 must be at least 75 percent of the regular (Choice A) farm allotment to preserve the entire allotment as a base for 1961.

Acreage may be "regarded as planted to cotton" if it was included in the previous year's Conservation Reserve or the Great Plains Program, if the allotment acreage was released to the County ASC Committee for reapportionment to other farms.

If the county committee determines that planting was prevented by a natural disaster or illness of a farm operator or producer.

If at least 75 percent of the previous year's regular farm allotment was not planted (or regarded as planted) to cotton, the base in determining future farm allotments will be reduced to the average of (1) the regular allotment for that year, and (2) the acreage planted or regarded as planted in that year.

Farm cotton allotments for 1960 may not be less than the smaller of 10 acres or the 1958 farm cotton allotment. However, beginning with 1961, the reduction in the farm base—75 percent of the previous year's allotment was not planted or regarded as planted—will apply to all farm cotton allotments regardless of their size. Thus, small cotton farms are guaranteed an allotment equal to 10 acres or the 1958 farm allotment only if the 75-percent planting requirement is met each year.

Godfrey further brought out the fact that farmers releasing cotton allotment acreage may not designate the farm to which the county ASC committee reapportions the acreage. Present law, likewise, does not authorize a farmer to sell or lease a cotton allotment to another farmer.

"Acreage planted or regarded as planted to cotton on a farm is credited to the State and county for purposes of future State and county allotments," he said.

## Free Seedlings For 4-H And FFA Boys

North Carolina Pulp Company at Plymouth will again give free pine seedlings to 4-H and FFA boys in Eastern North Carolina during the planting season beginning in December and extending through January and February of next year, according to an announcement made by E. K. Pitman, conservation forester for the company. The area

in which seedlings will be available is the general area in which the company buys wood and extends from the coast westward to and including Richmond, Montgomery, Raleigh, Chatham, Durham, Franklin and Vance counties.

The seedlings are given to the boys to encourage them to start planting idle land on their farms and to improve upon them the importance of proper care of all forest land.

Applications for seedlings should be received by the company to 4-H and FFA boys throughout eastern and Central North Carolina during the past 10 years.
