Perquimans Wins Play-Off Game 3-1 At Wallace Tues.

The Indians of Perquimans High School gained one lap toward the Eastern title in the State Class AA baseball play-off Tuesday night by defeating Wallace-Rose Hill by a 3-1 count.

On Thursday night of this week the Indians will tangle with Wallace-Rose Hill on the Hertford diamond. The game time is eight o'clock.

Pete Hunter, ace of the Perquimans pitching staff turned in another superb performance. He gave up four hits while striking out 14 batters. The Indians committed three errors. Hunter walked one man. Moore, pitching for Wallace-Rose Hill, gave up four hits and walked six Indians and fanned 13.

Wallace-Rose Hill scored its single run in the second inning when Revenbark singled, stole second and third base and was squeezed home.

Perquimans knotted the score in the third when Fowler walked, Hunter walked and Johnny Winslow singled to score Fowler.

In the fourth inning Perquimans scored its winning runs when Tilley walked followed by a single by Chesson. With Tilley on second and Chesson on first the Wallace catcher made a wild throw to the pitcher and Tilley streaked for home. On the play at home base Tilley scored when the Wallace catcher lost the ball and meanwhile Chesson, running hard came home from first base.

Cocherliffe Perry reported Wednesday that the Indians are in good condition and hopeful they can cop the Eastern title in the game here Thursday night. In case of a Perquimans loss a third game will be played in Greenville on a date to be announced.

The playoff for the State 2-A title will take place next week.

This Week's Headlines

More than 600,000 voters cast ballots in the state primary election last Saturday but remaining unsettled are the nominations for the office of Governor and Lieutenant Governor. A second primary will be held June 25 for a run-off between Terry Sanford and Beverly Lake for Governor and there may be a run-off for the office of Lieutenant Governor between Philpot and Henkel.

The Memorial Day 500 auto race in Indianapolis was marred this week when two persons were killed and about 40 were injured when a scaffold holding the spectators toppled off a bed of a truck. The spectators had rented seating space on the scaffold to secure a better view of the race.

Allen Dulles, director of Central Intelligence, refused to reveal to a Congressional committee this week the mission of the U2 plane which was recently downed in Russia. The committee, meeting in secret, gave out little facts following the session with Mr. Dulles but Senator Fulbright told reporters the committee was not trying to place blame for the incident but merely sought information.

Russia announced Monday instructions have been issued to its rocket crews to strike at any base from which spy planes may take off in the future for flights over Soviet territory. The U. S. has announced suspension of plane flights for that purpose.

President Eisenhower is scheduled to leave Washington June 12 for a tour of several Far Eastern countries, including Japan, Philippines, Korea and Formosa. He will also visit Hawaii and Alaska while on tour.

ACC GRADUATE

Among the graduates receiving degrees from Atlantic Christian College this year was Dori Gray Winslow of Belvidere.

AUXILIARY TO MEET

The St. Catherine's Auxiliary of Holy Trinity Church will meet next Monday night, June 6, at 8 o'clock at the home of Mrs. B. P. Jones.

Board Of Education In Meeting With School Architects

Meeting in special session here last Friday night the Perquimans Board of Education conferred with Shoe and Dudley, architects from Greenville, concerning plans for an addition to the Perquimans Union School.

Preliminary drawings of the proposed project were discussed but not accepted by the board. The architects were requested to redraw the plans deleting some of the space in the original drawings. The superintendent was also authorized to confer with the State School Planning Commission about plans for the building.

The board voted to adopt the same insurance protection plan for students for the coming year as was in effect during the past year.

Approval was voted for final payment of attorney fees for the school suit instigated a number of years ago with a payment of \$272.50 to John Hall and \$100 to S. M. Whedbee. According to information supplied by Mr. Hall this suit was dismissed by the Federal Court.

The board also voted to permit use of school playgrounds for organized Little League baseball when supervised by a responsible party.

Mt. Sinai Church Bible School Opens

Vacation Bible School begins today (Friday) with Preparation Day at 3 o'clock at Mt. Sinai Baptist Church under the direction of Mrs. Roscoe Stallings, superintendent. Classes begin Monday, June 6, at 2 o'clock for all age groups continuing through Friday, June 10. All children of the community are invited to attend.

Commencement exercises will be Friday night, June 10, at 8 o'clock.

WHERE DOES THE FARM SURPLUS GO? MUCH TO SCHOOL CHILDREN; NEEDY

Surplus farm food helped 2,207 needy persons in North Carolina family units during the nine-month period July through March, 1960.

The food was donated by the U. S. Department of Agriculture. A great deal more was given through the school lunch program and to charitable institutions in the state.

Total donations in the period were more than two billion pounds. This was about 200 million pounds less than in the same period a year earlier. The figure includes all donations, at home and overseas.

The foods are acquired by USDA in its price-support and surplus-removal operations. They are made available through the Direct Distribution Program, administered by Agricultural Marketing Service of USDA.

More than 14 million children eating lunch at school have benefited from 236 million pounds of donated commodities in the current year. Total volume in this program was up nearly seven per cent over the year before.

Food for needy families totaled 398 million pounds, compared with 544 million the previous year. There was a steady decline in the number of needy recipients—from 4.1 million in the 1958-59 period to 2.6 million for this year's period.

After all needs for donated foods in this country are met, surplus stocks are made available to U. S. voluntary welfare agencies for distribution to the needy in friendly nations. In the nine-month period, foreign shipments of 1,337 million pounds of surplus foods were distributed by 16 agencies in 82 foreign countries.

RECEIVES DEGREE AND COMMISSION

Aubrey T. Davis, son of Mr. and Mrs. W. J. Davis of Hertford, graduated from North Carolina State College in Raleigh on Sunday, May 29.

Mr. Davis received a BS degree in chemical engineering. He also was commissioned a second lieutenant in the United States Army on Saturday, May 28. He plans to begin work with E. I. duPont and Company on June 13.

Mr. Davis has served as president of his social fraternity, Phi Kappa Tau, and was appointed to the Interfraternity Council for the past two years. He also was a member of Seaboard and Blade Honor Society, N. C. State Band, Drum and Bugle Corps and the American Institute of Chemical Engineers.

Rev. Auman To Join Round-The World Ministerial Study

The Rev. James A. Auman, pastor of the First Methodist Church, Hertford, will join a group of Christian ministers and laymen from across the nation for an around the world study in fifteen nations July 17 to September 4.

The group will have a brief orientation in Seattle, Washington, on July 13. The seminar group will then fly to Alaska and from there their itinerary will include visits in Japan, Formosa, Hong Kong, Viet Nam, Thailand, India, Pakistan, Lebanon, Egypt, Syria, Jordan, Kingdom, Israel and Greece. The last two weeks will be spent in the Holy Land, with the last day of the seminar at the Passion Play at Oberammergau.

The 1960 World Seminar will include conferences with ambassadors and embassy staff members, USIS officers, members of Parliament, newspaper editors, educators, Church World Service directors and high government leaders. There will be receptions, meetings and discussions arranged with interdenominational groups of Christian leaders in each country, in addition to a study of Buddhist, Shinto and other non-Christian religions.

Historical Show Planned June 22 In Elizabeth City

The first Albemarle Historical Exhibition will be held June 22, 23 and 24 in Elizabeth City.

The date was set at a meeting Tuesday night of committees from the Pasquotank, Perquimans, Camden and Currituck Historical Societies and the Museum Committee of the Chamber of Commerce.

In conjunction with the three-day showing of old relics of the Albemarle, the first dinner meeting of the four-county Historical Council will be held at the Virginia Dare Hotel June 22. An authority on antiques and old records will be guest speaker. The public may obtain tickets from the Chamber of Commerce or members of the Historical Societies. Approximately 250 people are expected.

The location of the antique show will be announced this week by Jack Baum, president of the Pasquotank Historical Society, and chairman of the exhibition.

The historical exhibit is being planned to create interest in the establishment of a museum here. It is being sponsored by the historical council in cooperation with the Chamber of Commerce which has broached the museum idea here.

In pointing out the necessity of a museum Baum said that exerted efforts to find a safe place to store old relics in each of the counties had failed and that many items absorbed in Albemarle history are being given to museums in other towns because there is no place in the Albemarle to store them.

For the first time in years the Republican party had some contests with Bailey receiving 7 votes for the nomination for Lt. Governor while Patton got 4. In the GOP race for Commissioner of Insurance Clifton received 6 votes to Cameron's five.

North Carolina Travel Business Reaches New High

Travelers added \$365,000,000 to North Carolina's economy in 1959—a 7 percent increase over the previous year and 151 percent more than in 1943.

This and other revealing travel facts were reported in a survey sponsored by the Travel Council of North Carolina, a non-profit association of travel interests in the State.

Lynn Nisbet, Council president, pointed out that in 1959 a total of 16,700 business establishments, or 18 per cent of the State's total 93,000 business firms, served the record-breaking travel flow in some capacity.

These businesses employed 69,600 persons who drew payrolls aggregating \$101,000,000 in 1959. Personal net income from travel-serving businesses reached \$177,000,000 last year.

"These figures give some indication of the tremendous impact the travel trade has upon our State," Nisbet said. He added that more than 10,000,000 traveling parties composing 23,000,000 persons visited North Carolina from out of the State in 1959.

Travelers covered 2 billion miles on the State's highways last year. Of the \$365,000,000 they spent, \$230,000,000 came from tourists and business travelers from out of State and \$135,000,000 from out of State and \$135,000,000 from out of State.
