*Futura's the one that never cramps your style...*

Some luxury compacts make you choose between your friends... and your luggage. Not the new Falcon Futura.

In a Futura you not only get a luxurious interior with individually contoured bucket seats, a handy console between them, wall-to-wall carpeting, and all the extras; you also get room for three people in the back seat, plus...

... a big roomy trunk. You put luggage in its place, not in the back seat which is reserved for your friends. Futura doesn't cramp your style—or your budget either! It's America's lowest-priced\* luxury compact. It costs you less to run, too. Read about Falcon's record-breaking Mobilgas Economy Run win below!

NOTE: Under the test conditions of the Mobilgas Economy Run, a Falcon, with standard shift, scored 32.6 miles per gallon... best gas mileage of any 6- or 8-cylinder car in the 25-year history of the Run! (Another Falcon was second, with 31.6 mpg!) Drivers of all cars were experts... and really out to win. But Falcon topped 'em all!
