

HOW TO QUALIFY FOR SOCIAL SECURITY PAYMENTS

John T. Grooms, representative of the Social Security Administration, is in Hertford the second Wednesday of each month at the Perquimans County Court House.

A disability can be a tragic thing to anyone. To the young man with a family this is particularly true. In this hectic life and time, disabilities occur more frequently than many of us realize. Regardless of our situation in life, we are all subject to serious disease or injury.

To help soften the impact of such an unfortunate event, Congress strengthened the Social Security Law in September, 1960 by eliminating the requirement that a disabled person must be fifty years of age or older to qualify for monthly payments. No change was made in the definition of disability. Payments to disabled persons under the age of fifty were first payable for the month of November, 1960.

Today, John T. Grooms, Field Representative, Norfolk, Virginia Social Security District Office, stated that probably not all people who could qualify for these payments have filed applications. He encourages any reader who

may be eligible, to write to his office and request information.

If a person becomes disabled now before he is sixty-five and has at least five years of work under the Social Security Law during the ten-year period ending with the date he stopped working because of the disability, he may qualify for a monthly check. If a worker can qualify for a payment, the Administration may also pay any of his children under eighteen, and any of his unmarried children past eighteen if they became disabled before their eighteenth birthday. His wife may qualify for a check if she is sixty-two years of age or has an eligible child in her care.

Mr. Grooms pointed out that the disability must be one that is severe and one that will be expected to last for a long time. In the words of the law, the disability must be so severe that a person cannot be gainfully employed in any occupation. The worker must be disabled for

WELLS FARGO WEEK END MEETING MONDAY, JUNE 18

The Women's Society of Christian Service held its regular meeting Monday night, June 18, in the Educational Building of the First Methodist Church of Hertford.

The meeting was opened with soft music with Miss Carolyn Wright at the piano.

The devotional was led by Mrs. J. H. Towe, Sr., using the 138th Psalm. This was followed by prayer. Her topic was "Horns for the Hopeless".

All members then joined in singing "O Zion Haste" which brought to mind the Missions to be fulfilled; with Spirit, Faith, Prayer and a strong determination for a solid foundation upon which one may help build.

The program for the month was on "Refugees".

Miss Caroline Wright presented color picture slides to illustrate her talk on the points of interest. These slides were taken during the travels of the "Youth Caravan" of which Miss Wright was a member.

These pictures brought to mind the important need for help in the Mission Fields of Service.

Places mostly shown in the slides were Hong Kong, Calcutta, East Berlin and Austria. She described the refugees' struggle for survival under hardships, with a strong determination.
