

## KNOW YOUR SOCIAL SECURITY

Richard M. Myer, representative of the Social Security Administration, is in Hertford the second and fourth Wednesdays of each month at Perquimans County Court House.

So you have a social security card, and have worked a little in New York or Texas or Oregon. What about the time you were in the Army? Simple, you get credit just like for the other jobs. Any covered work you do goes on your social security record and stays there for future use. Active service in the Armed Forces has been covered since January 1, 1957.

A man born in 1926 or later needs 40 quarters of coverage or ten years covered work to be insured for old-age social security payments at age 65 or age 62 if he wants to elect a reduced payment. Any covered work you've done since 1937, when the Social Security Program started, can count toward this.

Mr. Richard Myer, Field Representative, with the Norfolk

### Chapanoke News

George Jackson spent the week-end with his brother in Charlotte.

Miss Stanley Pierce visited her brother, Stanley Pierce in Suffolk during the week-end.

Mr. and Mrs. Paul Vaughan and family were the guests of her mother, Mrs. Irma Dorsey, last week-end.

Mrs. Bill Pierce and daughter spent Saturday in Elizabeth City with Mrs. Nathan Hurdle.

Mrs. George Jackson spent the week-end with her sister-in-law in Chapel Hill.

Miss Inez Boyce is going to Norfolk General Hospital this week for observation.

Social Security District Office says that having enough time in to draw, means just that. The amount of your monthly social security check is figured by looking at your complete record and applying the formula as set up by Congress. Your average earnings over a certain length of time determines the monthly benefits.

A man born in 1910 will be insured for old-age payments if he has 24 quarters of coverage or about six years work. The time you need is determined by the year you were born, but no one needs more than 40 quarters of coverage and the minimum some could get by on would be six. Mr. Myer says you may write for the free booklet, OASI-855 to the Social Security Office, 220 W. Brambleton Ave., Norfolk 10, Va.

### A Look Backward

(Continued from Page One)  
injured arm received attention, and his condition is reported as satisfactory.

**Dr. T. A. Cox Receives Letter From President:** Dr. A. A. Cox, who sent a congratulatory wire to President Roosevelt upon the occasion of his message to Congress, was much gratified to receive a personal acknowledgment from the President last week.

Dr. Cox is a great admirer of President Roosevelt and he treasures the letter which expressed appreciation of Mr. Cox's words of approval.

**Former Resident Buys Dry**

**Cleaning Plant:** Mrs. Lena Gregory, former Hertford Resident, who for the past year has been living in Norfolk, Va., has moved back to Hertford and has purchased the dry cleaning establishment formerly operated by Cecil Winslow. The new business, with which will be associated Mrs. Gregory's two sons, Tim and Noah, will be under the personal management of Mrs. Gregory and will be known as Gregory's Cleaning Works.

**Morgan Buying New Furniture:** More and finer furniture will make its appearance shortly in the store of W. M. Morgan as a result of the visit of Mr. Morgan and L. L. Winslow to the High Point Furniture Exhibition this week. Mr. Morgan and Mr. Winslow spent several days this week at the semi-annual affair at High Point, and will return the latter part of the week.

**Harry McMullan Born in Hertford:** The friends of Harry McMullan, whose appointment as Assistant Attorney General of North Carolina, was announced in Monday's daily papers, were somewhat chagrined that Mr. McMullan's birthplace was given as Hertford County. The error arose, of course, from the fact that Mr. McMullan's birthplace was the Town of Hertford. That the Town of Hertford is not the county seat of Hertford County obviously is confusing to many persons in the State. Harry McMullan, a son of the late Dr. J. H. and Mrs. McMullan, was born in Hertford, Perquimans County.

**Miss Evans in Hospital:** Miss Esther Evans, English teacher in the Perquimans High School, is a patient at the Protestant Hospital, in Norfolk, Va., where she recently underwent an operation for appendicitis. Miss Evans' condition is reported as satisfactory.

**Founder's Day At Union School**

The PTA of Perquimans Union School held its regular monthly meeting Monday night, February 11, at 7:30 o'clock with the president, Mrs. I. E. Rogerson, presiding. The theme for the occasion was "A Balanced PTA Program a Challenge."

K. A. Williams, chairman of the safety bus drivers' committee, announced Eddie Moore as winner for the certificate of merit for being the best driver for the month. Moore, a junior, was rated particularly for conduct, courtesy, personality, cooperation and honesty. There are 117 bus drivers at the Union School. The bus drivers' certificate is a monthly award by the PTA.

The monthly room attendance banner was awarded to grades 8-B and 7-B. T. E. Bolden is instructor of the grade combination.

Immediately following the business session of the meeting a vital and inspiring Founder's Day program, which was under the auspices of Mrs. J. S. Thompson, was rendered. Past officers participating included Mrs. Emma Burke, who discussed the topic "Founder's Day Observance." Mrs. E. V. Billups used for her theme "Membership."

Mrs. E. S. Zackary served as historian. Many other former PTA officers were recognized during the event.

J. A. Dempsey gave brief remarks and Edward Welch, a local artist, climaxed the program with timely expressions.

The president announced the

**Queen for a Day** program will be presented at the Union School February 28 at 7:30 P. M. The public is cordially invited to attend.

**Hunting Season Ends**

AND NOW IT CAN BE TOLD. Said the hunters, when, weary, they returned from the kill. "Our bags would be heavy if Dogs obeyed our will. So many birds. In the field we must leave, We'd trade with pleasure For a dog who'd retrieve."

Said the dogs, in sad conclave Gathered late in the night, "We'd have had many a bird If our men had aimed right. But the season is over And we'll not give a hoot If we can stay home 'Til they learn to shoot."

—Dora T. Riddick.

**Carolyn Matthews Weds James Meads**

The marriage of Miss Carolyn Matthews, daughter of Mr. and Mrs. R. E. Matthews of Hertford, and James A. Meads, son of Mr. and Mrs. John Meads of Elizabeth City Route 1, was solemnized on Sunday, February 10, in the First Methodist Church at Hertford by the Rev. Fred Still, pastor.

**New Highway Map Available**

The State Highway Commission has announced that the official North Carolina highway map for 1963 has been received from the printers and is available for free distribution.

The map is published both in color and in black and white form. It was designed under the supervision of Lloyd H. Cook, the Commission's State Locating Engineer, and the map this year was completed in record time, since the maps for previous years have not been completed before late in May.

The face of the map clearly shows four-lane highways, the primary system and important secondary roads throughout the state. County lines are more detailed than in the past. Military establishments, historic sites and recreational areas are detailed very clearly. The street systems

in the state's ten largest cities are outlined in blocks across the face of the map, as is an index of towns and a distance chart.

On the back side of the official color map are picture imprints of places of significance in the state. Because of the map's greater detail, the 1963 map is triple-folded.

Locating Engineer Lloyd Cook said that 300,000 copies of the pictorial map and 20,000 copies of the black and white have been ordered for free distribution to the public and can be secured by writing to him in care of the Locating Department, State Highway Commission, Raleigh, N. C.

**Boys And Gals**

The old man neglected to assist his wife out of the street car.

"John," she said, "you are not so gallant as when you were a boy."

"No," he replied, "and you're not so buoyant as when you were a girl, either."

This is the economical Newport 4-door sedan

# \$2964\*?

Sounds unbelievable for a Chrysler. But it's true. And we're ready to prove it to you.

Considering the full-size value you get in a Newport 4-door sedan, we can appreciate why so many ask us to prove that a Chrysler can be priced so low. We're always happy to.

Because we can talk about full-size comfort; big, booming V-8 power (fed by economical regular gas); rich fabrics; lush carpeting. Plus America's best and longest new-car warranty†—5 years or 50,000 miles.

So why not compare the facts, the figures, the features, with any car anywhere. We think you'll find the \$2964 Chrysler sizing up as the finest value in town. Your Chrysler dealer's ready with the proof.

†Your authorized Chrysler Dealer's Warranty against defects in material and workmanship on 1966 cars has been expanded to include parts replacement or repair, without charge for required parts or labor, for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts (excluding manual clutch); torque converter, drive shaft, universal joints (excluding dust covers), rear axle and differential, and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Chrysler Certified Car Care schedules.
