The Hertford Grammar School PTA held its March meeting on Tuesday night, March 5, at 8 o'clock, with Mrs. Charles Murray, president, presiding.

Mrs. Talmadge Rose gave a most inspiring devotion taken from Isaiah 35:1-3.

Mrs. Murray presented Mrs. Louise Barber, president of the Cancer Society, who was in charge of the program. She showed a very interesting film on cancer entitled, "Other City". After the film, Mrs. G. W. Barbee recognized Dr. Robert L. Weston, who gave a talk on the different types of cancer, the danger signals, and the need for early detection. Following this he answered questions from the audience.

During the business session the secretary read the recommendations of the executive committee and they stood approved as read.

Reports were given by the following committee chairmen: Mrs. M. Williams, treasurer; Mrs. Fred Still, study course chairman; Mrs. Keith Haskett, room representative; Mrs. Charles Harrell reported on the supper served by the PTA; Mrs. Marion Haddock gave a report on the legislative meeting held in Elizabeth City on January 22.

Mrs. Walter Edwards, chairman of the nominating committee, presented the following slate of officers: President, Mrs. Marion Haddock; vice president, Mrs. Dan Berry; secretary, Mrs. Emory White; treasurer, Mrs. Bill Williams. They were accepted by the PTA and will be installed at the April meeting.

Mrs. Murray announced that she had received word from Mr. Brown in Elizabeth City that the Cub Scouts sponsored by the PTA had been re-organized with Emory White, institutional representative.

Miss Thelma Elliott, principal, made a brief talk on the need of more refrigeration space in the school kitchen. Motion was made that the PTA make a contribution toward buying a refrigerator, with the amount of the contribution being set in April.

Mrs. Murray announced that the PTA Convention will be held in Asheville April 23-25. The hospitality committee reported Miss Felton's third grade had won the attendance banner by having the largest number of parents present.

Miss Elliott invited all those present to visit the classrooms after the meeting.

CARD OF THANKS

There is an old Swedish saying that no one has so big a house that he does not need a good neighbor. How true this is, and what an unkind world this would be without good neighbors. I appreciate my neighbors, and you really went all out during my recent illness and hospitalization to prove your real friendship. I wish to take this opportunity to thank you for the many wonderful cards, the beautiful flowers and all the many other things you did for us which so beautifully demonstrated that spirit of wonderful neighborliness. Most of all, we thank you for your prayers, for truly nothing can take the place of prayer. Thank you for everything, and may the Lord richly bless each and every one of you in His prayer.

ERNEST W. WHITE, Belvidere, N. C.

CARD OF THANKS

I wish to express my sincere appreciation for the flowers, cards, food, gifts and visits, and all acts of kindness rendered while I was a patient in the Chowan Hospital and since my return home.

MRS. MATTIE ELLIOTT

CARD OF THANKS

I wish to express my thanks to all who remembered me with flowers, cards, food, gifts and visits while I was a recent patient at Norfolk General Hospital and since my return home.

MRS. MARTIN TOWE

CARD OF THANKS

We wish to thank all who were so kind and thoughtful of us; remembering us with cards, flowers and visits during our separate visits to the Chowan Hospital recently and since our return home.

Mr. and Mrs. W. E. Nelson

CARD OF THANKS

I want to express my deep appreciation for the prayers, cards, beautiful flowers, visits, gifts, food and phone calls during my siege of pneumonia in January and my recent hospitalization and since my return home. For every act of kindness, sincere thanks.

Mrs. Adrien J. Smith, Sr

IN MEMORIAM

In memory of our dear husband and father, Tom J. Goodwin, who departed this life one year ago, March 29, 1962. Our hearts have been so sad and lonely since you left us. It was so hard to give you up. But we knew that it was God's will. Oh how we loved you, dearest Daddy. But Jesus loved you best. We miss your sweet and smiling face. Your place at home is vacant—For we know there is no other that can take your place. So Jesus sweetly called you home to rest. Out of all your pain and suffering. We pray that some day we will meet again In the sweet by and by. In that beauty city where we never grow old.

Have you ever felt that relief you need from your aching back? Backache and stiff joints and pains that often cause nervous nights and miserable tired-out mornings. It has been discovered that you can get relief from your aching back and stiff joints with a special treatment called "The Backache Relief Treatment". This treatment is a combination of heat, massage, and special exercises. It is the only treatment that has been scientifically proven to relieve backache and stiff joints. The books on display are supplied to the school by Educational Reading Service, Inc. In the selection of books are many of the world's literary classics. The books exhibited are in the basic book lists of the American Library Association. Students will be given an opportunity to visit the fair and to purchase any books they desire. 36 days that proved Ford's total performance!

RIVERSIDE, CAL. January 20	MONTE CARLO January 23	PURE OIL TRIALS January 27	DAYTONA, FLA. February 24
--------------------------------------	----------------------------------	--------------------------------------	-------------------------------------

In a total performance test of brakes, suspension and steering on the twisting Riverside sports car course, Dan Gurney drove a Ford Mustang to victory over 43 other stock cars. The 500-mile grind demonstrated Ford's superior stamina and road-holding.

The '63 1/2 Falcon V-8 Sprinter made their debut with a fantastic showing in the 2,500-mile Monte Carlo Rally. Through Europe's worst winter weather they placed 1st and 2nd in class. Besides this... one Sprinter deflected every obstacle in the Rally's six special stages.

In a competition designed to test all-around performance, Ford's were overall winners in Class I and Class II in the Pure Oil Performance Trials at Daytona. Their total performance design added up to most total points in gas economy, acceleration and braking events.

Daytona "500" history was made when '63 1/2 Ford's blazed into the first five places! Since Daytona is the toughest track in the world, this was significant proof that Ford's total performance design can endure the toughest in automotive punishment.

... and here are the 63 1/2's that gave total proof of Ford's durability and handling!

You may never see a competitive auto event. But if you do, you'll see a Ford. In the close-packed rush of 5 o'clock traffic, on a twisting mountain road, the results are important to you. On your slippery surface you need the kind of roadability that placed the Ford out front in the Daytona "500". On every busy city street, you need the brakes that won on Riverside's sports car circuit. Your chassis will hold up better through years of bumps and potholes because it's as beautifully balanced as Falcon's Monte Carlo V-8. The winning competition car is bound to be a great road car—and Ford is the big winner.
