OH, MY ACHING BACK
Now! You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exercising to drive and strain, you want relief—fast! Another disturbance may be mild bladder irritation following wrong food and drink—often setting up a restless, uncomfortable feeling. Don's Pills work fast in a separate way: 1. by steady pain-relieving action to ease torment of nagging backache, headache, muscular aches and pains; 2. by soothing effect on bladder irritation; 3. by mild diuretic action tending to increase output of the 15 miles of kidney tubes. Softer a good night's sleep and the same happy relief millions have for over 60 years. For convenience, ask for the larger size, Get Don's Pills today!

From Greensboro College
