THIS IS THE BIG ROOMER...

THAT'S GOING AROUND!

Now a family of six can go compact in a big way. Dart is a large economy size compact. Lots of room for hips and hats, legs and luggage. More usable trunk space, in fact, than most full-size cars. Yet Dart IS a compact. Fortunately, so is the price. Few compacts cost less than Dart. Not one gives you so much for your money. Mine models. All backed by a 5-year/50,000-mile warranty.
