Swindell Funeral Home
HERTFORD, NORTH CAROLINA
Dear friends:
We have just read about a class of high school students who visited a funeral home in a group.
We recommend the idea. Young people should have a proper understanding of this phase of our civilization. Death is an inevitable part of life. The work of the mortician and our funeral customs are not subjects to be avoided. They should be known and understood. You are cordially invited to visit our funeral home.
Respectfully,
Marion Swindell
