BEER IS A NATURAL
 Brewed slowly, by a centuries-old natural process, beer
 is North Carolina's traditional beverage of moderation—
 light, sparkling, delicious.
 And naturally, the Brewing Industry is proud of the mil-
 lions of dollars it contributes to this state's economy
 through wages, advertising, rentals, insurance, trans-
 portation and utilities. Money made in North Carolina,
 spent in North Carolina. In North Carolina, beer belongs.
 enjoy it.

Shindell Funeral Home
 HERTFORD, NORTH CAROLINA

Dear friends,
 We have seen so many
 misunderstandings and hard-
 ships brought about because
 the deceased had made no
 will, that we feel justified
 in mentioning it.
 A will usually reduces
 probate expenses, inheritance
 taxes, and contributes to
 family harmony.
 We do advise profes-
 sional aid to assure a
 properly drawn will.
 Respectfully,
Manson Shindell
