Probable Cause Found By Judge In Shooting Case

Perquimans County Recorder Court Judge Charles E. Johnson found probable cause after a preliminary hearing here Tuesday morning and ordered Lawrence Winslow, 41, Perquimans County farmer, to be held for Perquimans Superior Court.

Winslow is charged with assault with a deadly weapon, a gun, with intent to kill, inflicting serious body damage, in the shooting of two Portsmouth, Va., men on July 22. The men, E. M. Bright, 43, alleged target of the attack, and Bright's son-in-law, Richard Charles Hogan, 22, is in a Norfolk hospital and is partially paralyzed with a bullet in his brain, Bright said. Bright himself was struck by a .33 calibre rifle bullet on the right ear and the bullet lodged behind his jawbone; he will have the bullet removed this week, he said.

Bright testified that as he drove into Winslow's yard about 10 P. M., Winslow "jumped out from behind two trees with a rifle" and began shooting at the car. He made a U-turn in the Winslow yard and drove to Hertford for help. Robert Pelkey, Hogan's teen-age cousin who was visiting him from New York, was sitting between Bright and Hogan on the front seat but was not hit, Bright said. He came from Portsmouth to pick up Mrs. Hogan, 20, and another daughter 4, who, with Mrs. Bright, were visiting the Winslows.

Bright admitted under cross-examination by defense attorney W. H. Oakes, Jr., "bad feeling" between him and Winslow. Mrs. Winslow and Mrs. Hogan had told him "it might be better" if he did not come to the farm. He also admitted having a .357 magnum revolver in his car but said he often carries it there.

The following were charged with exceeding the speed limit and were fined: Hugh K. Aiken, Jr., Clinton, Kiffinman, Richard Huot, Edith M. Parrie, each \$10.25 plus costs; James O. Arnold, G. L. Buford, \$8.25 each plus costs; Robert E. White, \$8.25 plus costs; Charles F. Chambers, \$5.00 plus costs.

Irvin R. Midgett, charged with improper registration and reckless driving, was fined \$50 and taxed with the court costs. Isaiah Basnight, charged with no operator's license, paid a fine of \$25 and court costs.

V. J. Basnight, charged with driving on the left side of the street while not in passing, paid the costs.

L. J. James paid the costs on an improper muffler charge. Robert J. Skinner and Norman Bond each paid the costs on charges of disobeying a stop sign.

Maston Nixon, charged with non-support, was ordered by the court that the amount paid for the support of his children be increased to \$45.00 per month. Joe T. Jones, charged with speeding, paid a fine of \$95 and court costs.

James A. Colbert, charged with speeding, paid a fine of \$24.25 plus the costs. John M. Zamiska, charged without having a valid operator's license or chauffeur's license, paid the costs.

Johanne Fytle, charged with driving faster than was reasonable and prudent under existing conditions, paid the costs. Mildred L. Littlejohn, charged with improper brakes, paid the costs.

Sadie Lee Barnes, charged with failure to give audible signal when in passing, paid the court costs.

Jackson Coston, charged with being drunk on the streets, was fined \$10.00 and taxed with the costs of court.

A Correction

In the June 28th issue of The Perquimans Weekly, in the local column, a personal appeared which read: From Suffolk—Mr. Powell of Suffolk, Va., spent the week-end with Mrs. Georgia Roberts. This was in error and should have read: Miss Pearl Howard of Suffolk, Va., spent the week-end with her niece, Mrs. Georgia Roberts.

Our apologies to Mrs. Roberts. We sincerely hope that the personal in error that was printed in June has not caused her any embarrassment.

Two Injured In Auto Accident

Mrs. George (Elizabeth Caddy) Baker and her mother, Mrs. George Caddy, both of Route 3, were painfully injured last Friday afternoon about 3:45 o'clock in an accident at the north end of Hertford on the approach of the Perquimans River bridge.

Mrs. Baker and her mother were traveling north and had just started on the Perquimans River bridge when they were met almost head-on by a 1951 Plymouth being driven by Spangler McMullian, Jr., age 19, of the U. S. Navy Station at Norfolk, Va., whose home address is in the state of Florida. Mrs. Baker suffered the loss of three lower teeth, plus a cut in the lower lip which went all the way through. Mrs. Caddy suffered a painful knee injury, and possibly other injuries. Her head hit the windshield of her daughter's car with such force as to break the glass.

Mrs. Baker was treated at the office of Dr. Allan B. Bonner for the loss of the teeth, and her mother was treated at the office of Dr. T. P. Brinn. They were both taken to the Chowan Hospital where Mrs. Baker's lip required stitches. They were treated and released.

Spangler told State Highway Patrolman D. R. Cumbo that when he approached the bridge from the south end he was traveling about 40 miles an hour but was reducing his speed when he went over the center line and struck the Baker car. He was charged with operating on the wrong side of the road.

Patrol Cumbo was assisted by Captain B. L. Gibbs who directed traffic at the scene of the accident.

Belvidere Club Plans Picnic

The Belvidere Home Demonstration Club met on Tuesday night at the home of Mrs. Flora Hurdle.

Mrs. Billy White, the agent, gave an interesting demonstration on "Cook, Freeze Ahead." She showed the "Sign Posts" for a safe cooked frozen food. They are (1) Freshly cooked; (2) Quickly chilled; (3) Well packaged.

The announcements were made and the club agreed to take part in the Farm Festival on September 12-13.

The August picnic was discussed and plans made to hold it at the Recreation Center in Hertford. All members were urged to attend with their families.

The club collect was repeated after which the hostess served delicious refreshments.
