SUNDAY SCHOOL LESSON

(Continued from Page Four)

The church to his table, will he not unite and bind?

Love is our mission. It is impossible to "escape" the central thrust of Paul's message in this hymn of love; for example, the privilege of love as the mission of the church. In an age when tempers erupt, hostilities emerge so easily, and when distrust and hate penetrate into personal and international life, the church has its glorious opportunity to love across all boundaries. "Love never ends" (1 Corinthians 13:8).
