

### Lost And Found

By TERRY JONES

"I will come again, and receive you unto myself; that here I am, there ye may be also."  
(John 14:13)

Hear ye this modern day parable: Once in the midst of a great city was a huge department store. In the middle of this store was a tiny Lost and Found Department. Stacked high on the shelves were many lost articles: umbrellas, coats, purses, etc.

On one shelf were two hats. One was clean and upright. Its owner had taken excellent care of it. He had brushed it every day and removed all the spots with spot remover. But the other hat was old and sagging. It was dusty and full of dirty spots. The owner of this hat had neglected it and taken it in unclean places.

Each day many people would come and look at all the articles. And each day many new ones would be brought in. But the owner of the hats never came. Then one day a handsome man came and examined each of the articles that had been on the shelves for a long time. As he examined each of them he sorted them into two separate groups. The clean hat went into one group and the dirty hat into the other. The good hat went home with the handsome man and was placed in a clean closet in a beautiful mansion. But the old dirty hat was thrown into an ash can and burned.

The huge department store represents our vast universe. This earth is the tiny Lost and Found Department in the midst of the universe. This earth is a storehouse of souls. You and I are the owner of these souls. Like the two hats some of us keep our souls clean as possible. We wash them clean with the Blood of Jesus Christ—the great spot remover. But others neglect their souls just as the old hat was neglected by its owner. Because of the life they live and the places they take their souls it is stained with sin. And they fail to have that sin removed with the great and only Spot Remover.

But one surprising day the great Redeemer is coming. He is going to sort all the cleansed from the sinful. Those that have

taken care of their souls and have cleansed them by trusting in His blood will be placed in a mansion in the sky. But the others will end up in a place where they will be destroyed forever and ever. What day that redeemer will come we do not know. "Watch therefore; for ye know not what hour your Lord doth come." (Matt. 24:42)

### Carolyn Coburn Becomes Bride Of Guy McCracken, Jr.

The First Baptist Church was the setting Saturday afternoon, September 28, at 4 o'clock for the marriage of Miss Carolyn Coburn, daughter of Mr. and Mrs. Lyle Coburn of Front Street, Hertford, to Guy McCracken, Jr., son of Mr. and Mrs. W. J. Leicester of Hertford.

The Rev. Norman Harris, pastor of the church, performed the double ring ceremony. The church was decorated with white mums and gladioli.

Mr. Coburn gave his daughter in marriage. She wore a white lace ballerina length dress with long sleeves. With it, she wore a short length veil and carried a bouquet of white orchids. Her only ornament was a strand of pearls, a gift of the bridegroom.

Miss Joyce Coburn was the sister's maid of honor. She wore an aqua dress with matching accessories. Her flowers were pink mums.

Douglas Sawyer of Elizabeth City, a cousin of the bridegroom, served as best man.

Mrs. McCracken graduated from Georgetown High School, Georgetown, S. C.

Mr. McCracken graduated from Perquimans County High School, and is presently serving with the U. S. Army, stationed at Fort Bliss, Texas.

#### Aberdeen YMCA Chat

"I hear that you taught Mc-Tight to swim in one lesson. How did you do it?"

"I pinned a dollar bill onto his bathing suit and pushed him off the pier."

### No Comment

By JAMES W. DOUTHAT  
Assistant Vice President, Government Relations Division of the National Association of Manufacturers

**NO COMMENT** is a report of comments on the national scale, and does not necessarily reflect NAM policy or position.

Washington — Whether tax reduction legislation is enacted in 1963 or in 1964, the Senate Finance Committee, currently holding hearings on the Administration's bill, must make a choice as to whether it will approve or will revise the obviously inadequate rate structure in the bill as it passed the House.

The inadequacies and the need for revision, particularly to provide greater relief in the middle income brackets, were hammered home to the committee in the first ten days of public testimony by witnesses representing widely diverse sections of the nation's economy.

The organizations condemning the inadequacy of the Administration's bill included:

National Association of Manufacturers, National Junior Chamber of Commerce, American Farm Bureau Federation, New York Stock Exchange, Council of State Chambers of Commerce, American Textile Manufacturers Association, Machinery and Allied Products Institute, Life Insurance Association of America, American Retail Federation, American Bankers Association.

The NAM president, for example, told the committee that the Administration bill tends to treat the taxpayer in the middle brackets as the forgotten man. NAM offered as a substitute a new rate schedule which would reduce the steepness of graduation, whereas the Administration's bill actually adds to the steepness of graduation in the middle brackets.

Whether the committee will heed these many pleas for a more adequately reformed tax-rate structure will depend on what committee members hear from the grass roots in support of the testimony thus far.

The pursuit of perfection, then, is the pursuit of sweetness and light.

—Matthew Arnold.

#### Minutes Of County Board Of Education

The Perquimans County Board of Education met in special session Monday, November 4, 1963. All members were present. Minutes of the last meeting were read and approved.

Mr. Perry, Principal of Perquimans High School, met with the Board for the first time since being elected to this position. The chairman and each member assured Mr. Perry of their support and backing in his effort to administer and operate a good school. Mr. Perry affirmed that he would work to the best of his ability to have a good school at Perquimans High School. Several items of administrative procedure were discussed for information.

Basketball schedules for Perquimans High School and Perquimans Union School were approved as submitted by the principals.

Motion was made, seconded and duly passed approving a request for transportation of a group of children in Winfall under the same regulations as approved for children in the Town of Hertford.

The Superintendent reported on the progress of In-Service classes for teachers. Very successful.

The Superintendent reported he had not heard from Mr. Urquhart concerning request to purchase additional land. The Superintendent reported

on activities of the attendance counselor. After discussing the act to authorize \$100,000.00 in bonds for school improvement in N. C., of which Perquimans County would receive \$214,329.30, the Board of Education voted to be in favor of the bond issue.

Each member was given a copy of the Grand Jury Report dated October 30, 1963. It was read for information.

The Superintendent read a letter from Mr. Arthur M. Varner, Engineer, Division of Insurance, State Board of Education, stating that he had made a thorough inspection of each school building in Perquimans County and found them to be in good condition. He inspected fire extinguishers, electrical wiring and all safety devices.

The following were approved as substitute teachers: Mrs. C. R. Holmes and Mrs. Fred Still, J. T. BIGGERS, Secretary.
