## Perquimans Indians Win Play-off Game Easily By Defeating Havelock 40-0

Freddie Combs rattled off three scintillating touchdown runs, one a 76-yard punt return, to lead Perquimans' marauding Indians to a 40-0 rout of the Havelock Rams in the regional playoffs in Greenville Friday night.

Combs, one of the top backs in the state, gave a good-sized crowd a real show against the out-manned Rams, and his defensive work was just as good as his work on offense. Freddie recovered one fumble, intercepted two passes and rushed for 108 yards net.

Brother Francis and Fullback Clark Harris also turned in superlative performances in the Indians' convincing win. Francis scored one on a 7-yard scamper and passed to Gene Nixon for another. Harris, the Indians' big fullback, grabbed off one score on a four yard burst and picked up 65 yards in 8 carries.

While the offense was clicking beautifully behind some crisp blocking, the defensive crop deserves much credit for this latest Perquimans victory. They kept the Rams bottled up all night and wound up by permitting Havelock a net of only 39 yards rushing. Mack Nixon, Jimmy Hunter and Archie Miller were the leaders in the defensive line although Gene and Don Yohn, John Stallings, Gene Nixon, Joe Riddick and all the others deserve much credit.

Havelock was never in it after the first few minutes. Quarterbacks Bill Burchette and Bricky Scoggins and halfback Dicky Timmons tried hard but never were able to penetrate the stubborn defense thrown up by Coach Ike Perry's determined Indians. Havelock didn't get a first down until late in the third period.

Perquimans struck for 12 points in the first period. The two teams exchanged fumbles on their first plays and then after a poor Havelock punt went out on the Rams' 35, the Indians headed goalward for their first tally.

Harris banged off the left side for six yards and Freddie rambled or 9. Francis got four yards in two tries before lofting a 16-yard scoring pass to Gene Nixon in the end zone. The point try failed.

On the second play following the kickoff, Freddie intercepted Burchette's pass on the Rams' 26 and lugged it back to the 20. The Indians worked it to the 2, run where Harris plunged over but it was nullified by a 5-yard penalty. From the 7, Francis rolled out around left end for the score and Ike Stokely added the point.

The Indians went 76 yards for their third tally in only six plays. Strong running by Freddie and Francis and Jimmy Byrum moved it to the Rams' 30 from where Freddie swung off the right side, got a great block by Charles Woodard and sped for the score. Byrum added the point.

## Christmas Seals Sent In Area

A total of 7,018 Christmas Seal letters have been mailed in the Pasquotank-Perquimans and Camden area, W. A. (Billy) White has announced.

The traditional Christmas Seal campaign is conducted entirely through mail. Each letter sent with Christmas Seals will contain an enclosed envelope for the returns. Last year the TB Association raised \$8,084.44.

These proceeds were used to combat tuberculosis and other respiratory diseases. This campaign supports widespread cases finding program, research, patient services and educational programs on a year round basis. These services give some indication of the job waiting to be done, since the Christmas Seal Sale is the sole support of the association and the need for funds is its only means of continuing this work.

Perquimans County received 1,510 letters this year; Camden, 827, and Pasquotank, 4,681.

## Mrs. Ira Hollowell Eure Retires After Teaching School 31 Years

Mrs. Ira Hollowell Eure's voice is not heard through the halls of the public school this fall. She has retired after 31 years of teaching.

A 1919 graduate of Asheville Normal, she studied one year at Meredith College and attended N. C. State University.

When she was a student at Asheville Normal the president insisted that his graduates return to their home town to teach. Mrs. Eure took his advice. She returned to Hobbsville, where she attended grammar school and taught six years. She then taught one year in Nashville, N. C., before resigning to return home and help her mother care for her aged father, Luke Hollowell.

In the fall of 1927 she received an urgent call from T. J. Jessup, principal of Gates High School, to "come over and help us." Mrs. Eure had taught with Jessup for three years. After leaving Gates school, she taught in Harrellsville for one year.

Again in the spring of 1931 Mrs. Eure left school work to live with her widowed mother, who was in failing health.

In 1932 she was married to Eldon Eure of Gates and they took charge of her mother's farm where she enjoyed raising chickens and turkeys and performing the many other chores required of a farmer's wife in those days.

Although she was a dedicated teacher and received a great deal of satisfaction from working with her students, her greatest satisfaction and joy was in rearing her sons, L. M. Eure of Hampton and Hollowell Eure of the home.

In the fall of 1943 Mrs. Eure again heard the call of the school bell and accepted a position at the Hobbsville school, where she continued service for 12 years. When the Hobbsville and Sunbury schools consolidated, she was without a teaching job.

"Once teaching gets in your blood, it is hard to get it out," she said. For this reason, she

## Local People Get Christmas Seals

1,510 letters containing Christmas Seals will be arriving in Perquimans homes, W. A. (Billy) White, chairman of Perquimans County, has announced.

One of the major programs from Christmas Seals is the chest X-ray services in cooperation with the Perquimans Health Department. This is one of the services sponsored by the association in its year round program of tuberculosis control and prevention. Last year 469 X-rays were made in Perquimans County. As we launch our 1963 Christmas Seal campaign, our only source of funds to finance such activities, it is our earnest hope that the people of this county will answer their Christmas Seal letters and will respond more liberally than ever to their Christmas Seal appeal. We want to raise our quota, which is \$1,800 this year, in order to further our programs.

## Hertford Hardware Company Wins Rock Fish Rodeo

Tom Crowell and Don Baker of the Wildlife Commission weighed all of the fish caught and almost 200 plates were served at the fish fry Saturday night.

## Masons Hold Ladies Night

The Episcopal Church was the place for this year's Masonic Ladies' Banquet. The ladies of the church served a most delicious meal of turkey and all the trimmings. One hundred and seventeen attended, including Master Masons and wives, widows of Master Masons and Eastern Star members whose husbands were not Masons and guests.

G. C. Buck, chaplain, past Master and 50-year Mason, gave the invocation and every one enjoyed a very good meal with excellent fellowship. After the meal W. H. Batchelor, past Master, past District Deputy Grand Lecturer and master of Perquimans Lodge, welcomed the large number of members and guests present and Mrs. Connie Long responded for the ladies. Mr. Batchelor recognized Clifton Williams, District Deputy Grand Lecturer and his wife, the past District deputy Grand Masters of the lodge, consisting of B. C. Berry, Sr., C. E. Winslow, "Fifty-year Masons," of which there are three, G. C. Buck; 25-year Masons, of which six were present for the banquet and the 17 past masters were recognized.

The Master, W. H. Batchelor, recognized George W. Jackson, past Master, and invited him before the members to present to three members of the lodge of Masonic membership. Mr. Jackson raised Archie T. Lane, Sr., past Master; Carl E. Perry and R. R. Mallis to the sublime degree of Master Mason in 1938. Entertainment was provided by C. W. Overman of Edenton and Mrs. Charles Johnson with group singing.

Seventy-seven dollars was donated to the Oxford Orphanage. Bingo was played and prizes awarded and the ladies donned their coats after a most enjoyable evening out.

## Cotton Vote Choice Defined

Just what a "yes" or a "no" vote will mean in the December 10 referendum on cotton marketing quotas was explained today by George Bellmon, Perquimans County ASCS office manager. All farmers who engaged in the production of upland cotton in 1963 are eligible to vote in the referendum.

Bellmon said that the basic program choices are:

1. If at least two-thirds of the growers who vote in the referendum approve of quotas, the quotas will be in effect for the 1964 upland cotton crop, marketing penalties will apply to any "excess" cotton produced on an arm, and price support at a level within the range of 65 to 90 per cent of parity will be available to farmers who comply with their farm acreage allotments.

2. On the other hand, if more than one-third of the growers who vote oppose the quotas, then there will be no quotas and no penalties applicable to the 1964 upland cotton crop, and price support to farmers who comply with their farm acreage allotments will be available at 50 per cent of parity, as directed by law.

Allotments are not affected by the outcome of the balloting. They will remain in effect—whether or not quotas are approved—as a means of determining eligibility for the available price support.

Bellmon pointed out that, while the Secretary of Agriculture is directed by law to proclaim quotas for the next crop when the total cotton supply exceeds normal, it is the growers themselves who decide whether or not quotas shall be used. Previous votes on the subject have been outstandingly favorable. Marketing quotas for the 1963 upland cotton crop were approved by 93.7 per cent of the growers voting.

Allotments for individual farms will be made available to growers within the next few weeks, so that farmers may have the information prior to the December 10 referendum.

### EASTERN STAR MEETING

The regular meeting of the Hertford Chapter of Eastern Star will be held Monday night, November 25, at 8 o'clock in the Lodge Room in the Perquimans County Court House.

NCBA President John J. Mason of Tarboro has announced that R. M. Riddick, Jr., will serve as "County Key Banker" during the next 12 months for Perquimans County.

Mr. Riddick is president of Peoples Bank and Trust Company. He will coordinate the farm activities of the N. C. Bankers Association for this area.

Pointing to the recognition that Tar Heel bankers have won for their service to agriculture through the farm programs of the NCBA, President Mason thanked the 100 County Key Bankers for their service. He noted their continuing help in the promotion of the NCBA's programs to assist in building a sound farm economy in North Carolina. The Association continues to spend more time and money on its farm programs than any other phase of its activity, he reported.

Among the projects sponsored by the Association are a two-week school at North Carolina State each February, attended by 150 young farm leaders from every section of North Carolina. These scholarships have totaled over 1,250, all expenses being paid by their hometown banks.

The annual farm credit conference brings together several hundred farmers and bankers. A land judging contest in the interest of soil conservation is another project of the NCBA. Meanwhile, the banks of North Carolina continue to lend more money to farmers than any other institutional group of lenders.
