Voters turned out for the Democratic primary election in Perquimans County last Saturday in goodly numbers to elect a county representative, a Board of Education member and four Commissioners.

George Baker, incumbent member of the Board of Education from Parkville Township, opposed by Talmadge Lewis, polled 1,348 to Lewis 249. Baker received the largest vote in the number cast in the county ticket and exceeded the highest number of the state ticket, with 1,246 votes. The closest candidate was on the state ticket for Bob Scott for Lieutenant-Governor, who polled 1,137.

Archie T. Lane, Sr., seeking re-election to the office of County Representative, won over his opponent, Nathaniel Fulford, 901 to 735 votes.

Three members of the Board of County Commissioners secured re-election to the office while one incumbent was defeated for re-election. ## Dates Listed For Swimming School

The dates for the Perquimans County Swimming School have been changed from June 8 through 19 to June 29 through July 10. The classes will be held from 2 P. M. until 3 P. M. Monday through Friday for two weeks at Hertford Beach.

It is unfortunate that the dates must be changed at this date, but George Burdick, who will be the instructor, will be using his vacation time to hold this school and these dates were the only ones he could arrange to fit in his schedule.

Perhaps these dates will be better for all concerned since we are expecting less conflicts at this time with Bible schools and other events.

Let us again emphasize the new dates, which are June 29 to July 10.

## Billy Nixon Named Recreation Head During Summer

Billy Nixon was hired as summer recreation director at a meeting of the Recreation Commission held Monday night at the Municipal Building. At his graduation from ACC he was awarded the Wilson Rotary Club trophy for the highest scholastic average at ACC.

During the business meeting Cecil Edward Winslow, chairman, thanked Joe Tunnell and his committee for the work they did in cleaning the recreation lot; announced that Edgar Fields would remain as treasurer and Henry Stokes would replace Don Norman as chairman of the fund raising campaign; the executive committee would meet the first Monday nights of January, April, July and October unless otherwise needed.

Ten o'clock was set as a deadline for closing the recreation lot each night except for special occasions, when it would remain open until 11 o'clock.

## Operation Election Highly Successful Plans Made For Summer Camp At Camp Cale

Ham radio operators throughout the state took part in Operation Election on Saturday, May 30. This was a test operation with the ham operators in cooperation with Civil Defense and amateur radio emergency service (AREC). The hams collected the election returns from the local election boards and relayed them to headquarters in Raleigh.

Reports from the headquarters office showed that the radio operators were some 20% to 30% faster and more efficient than the wire services.

While this was only a test operation, it proved that in the event of an emergency or disaster in which all phone communication was out of service the ham operator could keep communications going on to the outside. Some of the operators from this section taking part in this operation were Sam Long K4PVJ Perquimans County, Jake Hobowsky W4WAK Chowan County; Max Miller W4LWZ Pasquotank County; Oscar Hines W4LCV Camden County; Raymond Caroon W4ACFN Currituck County and Robert Dixon WA4NCH Gates County.

The entire state was covered by this operation and officials in Raleigh praised the hams highly for their splendid work.

Thompson, County Extension Chairman.

"We hope that all the peanut farmers will come and observe this plot on the farm of Carroll Williams, Route 2, Hertford, so that you will be able to decide for yourself in 1965 whether to use weed control as chemicals and how to apply it," further states Mr. Thompson.

## Bethel Home Demonstration Club Nominates Mrs. Elaine Phillips As Woman Of Month

MRS. ELAINE PHILLIPS

On the banks of the ancient Yeopim River stands a lovely brick home, the achievement of a woman of courage, integrity and charm.

Dauntless in facing the vicissitudes of life, she created and built her "dream home" after raising and educating three lovely children. There are five beautiful grandchildren.

In every nook and cranny there is evidence of her talents, be it a corner devoted to potted plants, a lively handmade clown for her grandchild's next visit or a lovely crocheted bedspread partially completed for her daughter. When time hangs heavy, heaven forbid, there are lovely antique pieces of furniture to be refinished and refurbished, a trip down the primrose path for a wee bit of fishing and, of course, acres and acres of flower and vegetable gardens to attend. On pleasant days, a walk to the Post Office, visiting neighbors enroute, and welcoming the new pony with a pocketful of sugar lumps, latest addition to the pet population of Mr. and Mrs. Lonnie Proctor's grandchildren.

Nature lover that she is, five homes of bluebirds, promptly occupied, have been erected and manufactured by the madame herself. A feeding station outside the family room window attracts all manner of birds. Due to the bird population, no cats need apply for room and board, but a friendly beagle is on hand to inspect and welcome visitors.

But her activities do not cease with domestic accomplishments. She plays an important and prominent part in the Home Demonstration Club and is president of the Bethel group, vice president of the County Council, a member of the Bethel Baptist Church and its Auxiliary. Everyone knows her to be a wonderful leader, charming hostess, considerate neighbor and willing worker.

Who is this personification of all the virtues? A member of our community whom the Home Demonstration Club of Bethel Township is happy and proud to nominate WOMAN OF THE MONTH—MRS. ELAINE PHILLIPS.
