

Rules Are Outlined For Corn Contest Scheduled In Perquimans County

The County Commissioners announced last winter that they were sponsoring a Corn Contest in Perquimans County.

To set the rules and regulations for this contest, a committee was appointed and the rules and regulations were announced in March, and they state briefly that:

1.—If a farmer has less than five acres of corn, all of this corn would be counted as in the contest, and if he has more than five acres he must have at least five acres of it in the contest. This corn must be in complete cut or cobs, if it is planted in corn. This does not mean that a farmer that has one-half a field of corn and one-half a field of soybeans would not be able to participate as the half field would make him eligible as long as it was all corn in that field.

2.—There must be two other persons besides the farmer present when the corn is harvested, and they must sign the ticket. This could be the truck driver and the machine operator.

3.—The corn must be weighed, moisture tested, and scale ticket dated and signed.

4.—We are requesting that the estimated fertilizer per acre, variety of corn, date planted and spacing of seed, be made available for other farmers' information.

5.—After the corn is picked and weighed, the farmer will estimate the acres and send this and the yield to the county agent's office as soon as possible, after harvesting and all.

Peanuts Need Dusting-Spraying

Peanuts in Perquimans County as a whole look a little better than average, but in many cases there is a big need for a dusting or spraying with an insecticide. Peanuts on some farms are crinkled and a good application of Sevin will clear them up and probably hold the infestation down until it is time to apply copper sulphur along with an insecticide.

We are not talking about DDT for use on peanuts this year too much because of the use of peanut hay and other characteristics of the DDT on peanuts. Sevin is a real good insecticide, and we believe that you will be real happy with it if you are splitting your land between applications. It is very possible that the first application should be put on now. We know this is earlier than you are used to using it, but land plaster put on twice at the rate of 4,500 pounds each time has proven most beneficial in most cases.

Aldyne Winslow With Group Who Will Tour Orient

The Singing Ambassadors are enroute to San Francisco where they will depart for a ten weeks concert tour of the Orient. Organized fifteen months ago by Jack Arthur Rains, this group represents nine states and six denominations. They are students and graduates of Asbury College in Wilmore, Kentucky. Among them is Perquimans' own Aldyne Winslow.

Four complete concert programs have been prepared to appeal to a variety of musical tastes. The Singing Ambassadors are scheduled to sing in the largest auditoriums in Japan, Korea, Formosa, Hong Kong, and the Philippines. They will give concerts in colleges and universities as well. Appearing on radio and television, they will make a number of recordings overseas. Further assisting in church and village work, they will serve the existing ministries of the different missionary boards, both denominational and independent.

When approached on the subject of support for the tour, Miss Winslow had this to say: "The response of my people in eastern North Carolina to this Christian endeavor has astonished me. Through correspondence and presentations of records and sacred concerts, more than 65% of the necessary funds have been made available to me. I consider it a genuine privilege to represent such interest and enthusiasm."

The Singers are presenting concerts nightly through Indiana, Illinois, Kansas, Missouri, Wyoming, Colorado and California. Departure for Tokyo, June 18.

Farmers Reminded Of Tax Refunds

Are you a farmer who's passing up a refund of \$50 or perhaps much more on your gasoline taxes?

"Most farmers never go to the trouble of claiming their gas tax refunds," says Rollo White, president of Perquimans County Farm Bureau. "Yet all farmers may get a refund of six cents from the state and four cents from the federal government on each gallon of gasoline they use in tractors and other non-highway farm equipment, provided proper records are kept."

If you know how much gasoline you used for non-highway activities last year, you can see very easily how much you're due in refund. You would get \$100 for each thousand gallons of gas.

"A farmer must file an application with the State Department of Revenue and the United States Department of Internal Revenue between July 1 and September 30, in order to get a refund. If you filed for a refund last year, you will automatically be mailed an application for filing again this year."

The farmer who has not filed for a refund can get the necessary forms as well as assistance from their County Farm Bureau Office in Hertford.

Supt. Reports Schools In Perquimans Will Lose Five Teachers

The Perquimans County Board of Education met in special session on Monday, June 8. The District School Committee met with the Board for the purpose of exchanging ideas and information of interest concerning the county schools.

Superintendent J. T. Biggers presented the teacher allotment for 1964-65. The report indicated a loss of five teachers. After much discussion concerning the allotment, the Superintendent was authorized to contact the State Board of Education for an explanation of the drastic cut.

Following a motion made and passed the fixing the pay date for teachers and principals as the 25th of each month during the school year.

Lloyd E. Riddick, mechanic, received an increase in salary approved on merit salary increase.

Bids to furnish milk to the county schools for 1964-65 were opened, read and the contract was awarded to Fenton Hurdle.

Due to the lateness of the hour and amount of business to be transacted, the meeting adjourned until Wednesday, June 10.

On June 10, Dr. Allan B. Bonner declared the Perquimans County Board of Education still in session and the meeting continued. Superintendent J. T. Biggers presented the names of school secretaries who had been elected by the District School Committee: Mrs. Rebecca D. White, Mrs. Carolyn N. Insoe (Continued on Page 8)
