the world, the famous Hippodrome and a visit through the Intenahel bazars, a visit in Lucerne, Switzerland and many more.

The over-all objective of the 40-day tour is to acquire an understanding and appreciation of the geographical conditions and problems that exist in countries of Europe, Africa and Asia, which border the Mediterranean Sea. The major benefits will come from actual observations and contacts while visiting and studying in each region. Every effort has been made to organize a tour which is interesting, educational, varied and enjoyable.

best salads and muffins. She chose the ones that were to participate. She explained carefully to each one.

Ellen Winslow moved that Deborah Demery be the acting president for two months because of the absence of the president and vice president. The motion was carried.

The group enjoyed participating in a game led by Mary Riddick.

The meeting was adjourned. Beverly Frierson, Acting Reporter
