This also rep- Ruritan Club, Willie Ainsley (2), Mrs. Russell Turner, Norfolk, resents the largest January-July Harrell Gas & Coal Company,

The ham and egg show and sale held in conjunction with the Farm Festival was a tremendous success due to particination of the merchants, civic clubs and individuals, who bought the hams and eggs and the farm families who particitrouble with corn ear worm in pated by putting hams and eggs in the show. The purpose of happens every year about this the Chamber of Commerce in sponsoring the ham and egg show and sale was to encourage more production of this type

of product by the farm family "It is still suggested that Perquimans County is one of toxephene and DDT applied at the leading swine producing counties in the state and for this reaon many people feel that cured meat has a great possibilsects. In the past they have ity for increasing income to our also gotten on cotton, and a good farm family. We must have dusting program on cotton is quality along with quantity if necessary to control it, as they we are to have meat that markets will use. In shows of this type it is demonstrated what is meant by quality and also encourages the use of smoke houses and proper curing on the farm. Of course, the farmers were the direct benefactors of regular dusting program which the sale, which was held Friday, but if a market could be devel oped in this area for cured nieat, the whole economy of Perquimans County would be benefitted by the added income. The following merchants and individuals certainly did their part to encourage growth and better production of hams and eggs in Perquimans County by paying well over \$1.00 pound for the hams and over \$1.00 a dozen tor the eggs. These merchants are as follows: Hams - Hertford Lions Club, Swindell Funeral Home, Winslow Oil Company (4), Sullivan Insurance Agency, Towe Motor Company. (5), Charlie Schneer, Darden Department Store (2), Nathan Spivey, Glenn Matthews, Morgan Furniture Company; amounted to \$4,260,250. This is Robert E.
