District Medical Society Completing Plans For Mass Sabin Polio Shots

A concerted attack designed to win the battle over polio will begin in a nine county area of northeastern North Carolina on Sunday, November 15, medical leaders announced this week.

The campaign will be conducted in about 40 locations in the nine county area and the residents of the nine counties will be asked to take Sabin oral polio vaccine.

The vaccine, a colorless, tasteless liquid, will be administered in three separate doses—all on Sundays. Subsequent doses, to be given by dripping several droplets of the vaccine on sugar cubes, will be administered on Sunday, January 10, and Sunday, February 21. Counties participating in the campaign which is being sponsored by the First District Medical Society, are Bertie, Camden, Chowan, Currituck, Dare, Gates, Hertford, Pasquotank, and Perquimans.

Members of the First District Medical Society's Sabin Polio Committee are Dr. T. F. Brinn of Hertford, chairman, Dr. K. L. Van Horn of Windsor, Dr. William K. Wassink of Camden, Dr. David O. Wright of Edenton, Dr. Charles N. Wright of Jarvisburg, Dr. W. W. Harvey, Jr., of Manteo, Dr. John A. Payne of Sunbury, Dr. Edward T. Viser of Aboskie, and Dr. John F. Weeks of Elizabeth City.

On injection is required and members of the committee are urging every person, regardless of age or sex, from six week old babies to elderly persons, to take the doses of vaccine.

The vaccine, developed by Dr. Albert B. Sabin at the University of Cincinnati School of Medicine, is known among physicians as "live virus vaccine" as opposed to Dr. Jonas Salk's "killed virus."

The oral vaccine has been approved by all major health agencies, including the U. S. Public Health Service, and is recommended for everyone, even though he may have already taken the Salk vaccine.

"The vaccine, proved safe and reliable, can be the final answer to the fight against polio if we can immunize a large majority of the people in this intensive public service program," Dr. Brinn said.

Persons receiving the vaccine at sites in the nine counties will be asked for a contribution of 50 cents per dose to help cover expenses. However, anyone who cannot afford to contribute will not be charged. Everyone is encouraged to take the vaccine.

The vaccine, which will be supplied by Wyeth Laboratories, will be distributed to campaign positions "one day" of the campaign. Volunteers will be asked to assist physicians and nurses at the various clinic locations.

The vaccine is administered in three different doses because each dose immunizes against one

UN Cookbook Is Feature UN Day Saturday, Oct. 24

Where else could you find 140 pages of tempting international menus other than "The Cookbook of the United Nations"?

Publication date—United Nations Day, October 24.

Each of the 112 UN countries is represented in the book by one to five authentic dishes that can be easily prepared in the American kitchen.

Some 150 individuals were involved in contributing recipes including Mrs. John F. Kennedy, Ambassador Adlai E. Stevenson, and Patricia W. Dean, wife of the British ambassador.

In preparation for the book, each tentatively accepted recipe was tested by a home economist and scrutinized for authenticity by representatives from the countries of origin. After four years of reviewing 750 recipes, the final 250 were selected.

A feature of the book are the fine large-scale buffet menus for 50 persons—the diplomatic reception, African night, Latin American fiesta, five continents dinner, and the Far East buffet.

Metal spiral bound, complete with 112 color sketches, the cookbook is available from the United Nations Association of the United States of America, Inc., New York, New York 10011.

William (Bill) Louis Winslow, 49 of Elizabeth City, brother of Mrs. Gladys Humphlett of Winfall, was pronounced dead upon arrival at Albemarle Hospital Saturday night after receiving injuries in a head-on collision on US 17 north of Elizabeth City.

Local FFA Team Wins Second Place In Woodland Clinic

The Supervisors of the Albemarle Soil and Water Conservation District sponsored a woodland conservation contest for FFA boys again this year. The contest was held at Camp Perry on October 15. The contest consisted of proper tree planting, woodland protection, control of undesirable hardwoods, tree identification, wildlife food trees, proper thinning, age determination, tree volume and value and commercial wood products.

FFA teams from Camden, Central, Chowan, Gates, Knapp and Perquimans High Schools participated in the contest. Forest Service supervised the contest. The FFA team from Gates County High School won first place and received \$15.00.

Perquimans High School placed second and received \$10.00 and Chowan High School was third and received \$5.00. Hardy Plyler of Gates High School was presented \$5.00 for making the highest score in the contest.

The Union Bag-Camp Paper Corporation furnished the prizes. W. G. Mabe, representing the Union Bag-Camp Paper Corporation, presented the awards to the winning teams.

King Street PTA Holds First Meeting

The October meeting of the King Street Elementary School PTA was attended by Mrs. R. S. Monds, Attendance Counselor Dr. A. B. Bonner, Chairman of the Board of Education and John T. Biggers, Superintendent of Schools. They appeared before the group in support of the \$100,000 school construction bond issue, which is to be decided November 3, 1964.

It was stated that Perquimans County is to receive \$214,329.39. This money may be used for new construction, repairs, renovation or to retire previous debts. The great need for this money was emphasized and the fact that no new taxes will be needed. All were urged to support and to vote for the bond issue.

Routine business included reports from the program finance committee which was accepted and the membership committee reported several new members. The PTA considered the project of securing playground equipment.

Tropical Storm Isbell Leaves County Wet

Tropical storm Isbell had little effect on Perquimans County other than heavy rain and a rather strong wind. However, since the storm the weather has continued wet and the farmers have been greatly hampered in harvesting their crops.

Fields throughout the county are filled with many. Many peanut growers had dug, others have their peanut crops turned out of the ground and ready for picking or stacking on poles. If the weather continues wet, those peanuts still on the ground will be greatly damaged and shorten the crop of gubbers here in Perquimans.

State Bake-Off For 4-H Corn Meal Winners Held Fri.

The 1964 North Carolina 4-H Enriched Corn Meal Program was climaxed in Raleigh last Friday when six District Winners competed in the State Bake-off. A 4-H member from Alamance County was named State Winner.

Representing the sixteen counties in the Eastern District was Miss Maureen Nixon, Corn Meal Muffin Winner from Perquimans County. Maureen's Corn Meal Muffins scored excellent and were judged as the blue ribbon winners in the State Contest. However, her one year Corn Meal Enrichment record, counting 75% of the total score, was surpassed by the 14-year-old Alamance winner.

The 4-H Corn Meal Enrichment activity is sponsored by the N. C. Millers Association for the purpose of encouraging 4-H'ers to know the value of enriched corn meal in the diet in order to improve personal and family health through the development of better food habits.

The sponsors award \$25.00 U. S. Savings Bonds to the county winner plus an electric hand mixer, cookbook, and pen and pencil set to the runners-up. The district and state awards are \$50.00 and \$100.00 Savings Bonds.

Maureen uses a Basic Corn Meal Muffin recipe, makes accurate measurements and follows preparational directions.

She cautions not to over mix the muffin ingredients because this causes tunnels and a poor quality muffin. Ten to twenty seconds is sufficient mixing time.

The Home Economics Agents' office would be happy to furnish Corn Meal Muffin and other recipes upon request. Contact Mrs. Ila M. White or Mrs. Paige L. Underwood.
