

Cancer Society Gets \$75 Grant

With Memorial Day approaching, the Perquimans County Society of the American Cancer Society is planning special emphasis on its "Living" Memorial Program. Mrs. D. M. Jackson, Memorial Chairman, has announced.

Making a contribution to the Society's memorial fund is a fitting and practical way to help save the living and commemorate a loved one who has died of cancer or other cause. The funds of the American Cancer Society, including Memorial Gifts, go toward saving lives in the present and many times more in the future through coordinated programs of Education, Research and Service.

According to Mrs. Jackson the Society's Perquimans County Memorial contributions are received during all months of the year and in the past two months gifts have totaled \$75.00.

The Perquimans County Cancer Society sends a dignified Memorial Card to the family of the person in whose memory the gift is made and also sends an acknowledgement and receipt to the donor. Mrs. Jackson requests when sending in your Memorial Gift that the name of the person it is in memory of be included and the name and address of the person or family.

On behalf of the Perquimans County Society of the American Cancer Society I urge thoughtful support of the "Living" Memorial Program on the approaching

Memorial Day. This support will help save those alive today from the tragedy of cancer, Mrs. Jackson concluded.
