# Don Mathews Named To Highway Position From This District

Don Mathews of Hamilton Tuesday became a member of the State Highway Com-mission representing this area. He and 13 other com-missioners took the oath in Raleigh.

Mathews will replace J. Gilliam Wood of Edenton on the commission. Wood served four years in the Sanford administration.

administration.

Gov. Dan K. Moore appointed the new commission last week and chose Joe Hunt of Greensboro as chairman. Hunt is a former Guilford County legislator, who played a major role in the governor's successful campaign last year.

Mathews, a strong sup-porter of Dr. I. Beverly Lake during the first primary, is a 40-year-old farmer and busi-nessman. He was a regional campaign manager for Dr. Lake when the candidate threw his support to Gov. Moore in the second primary.

The new commissioner is serving on the executive committee of the Chowan College board of trustees after having served one year as board chairman. He is also a town commissioner in his headstory.

In a recent interview, Mathews was quoted as saying he is "determined to look at the division as a whole and not as sections." He added that each county is an integral part of the whole.

Gov. Moore asked and re-ceived needed legislation to reorganize the highway body. In doing this he cut the membership from 18 to a chairman, who also acts as administrator, and 14 commissioners.

Now is a good time to

Now is a good time to check your crops for hunger signs says Perquimans County Extension Chairman.

If your crops are showing deficiency symptoms there may still be time to correct the deficiency this year; if it's too late to help this year's crop at least you will have ample time to take steps to assure that the deficiency is corrected before planting and the largest number of their family present.

The highlight of the occasion was the sumptuous dinner served buffet style.

J. S. Spivey, Sr., gave words of welcome to all present and asked the blessing.

Those present were Mrs. C.

W. Ives, Sr., Mr. and Mrs. corrected before planting an-

Growing plants show signs of hunger in many different ways. The plants may ap-pear stunted or show other abnormal growth such as shortening of the internodes. Plants may also show ab-normal coloring such as yellowing of all or certain por-tions of the leaves. Under conditions of severe nutrient deficiency the plants may die completely. Unfortunately, other causes

of poor growth are often confused with nutrient defi-ciences. Poor drainage, in-

confused with nutrient deficiences. Poor drainage, insect damage and many other factors which interfere with the plant's ability to take up plant food can show up as deficiency signs even though the level of available nutrients in the soil may be adequate. The best way to determine the levels of plant food available in the soil is to have the soil tested.

Crop yields are reduced in many cases by nutrient deficiencies that are not severe enough to show up visually reminds Mr. Thompson. This is called "hidden hunger." The best way to guard against this is to have your soil tested well in advance of planting time. Doing this will enable you to lime your soils to the desired level and will also tell you the nutrient levels in the soil so you can plan your fertility program more wisely and keep the chances of "hidden hunger" occurring to a mini-

## Winslow Has Cotion Blossom

Cecil Wood White, 76, died Monday at 12:10 P. M. in the Durham Veterans Hospital after a six weeks illness. A lifelong resident of Perquimans County, he was a retired livestock dealer, was an Army veteran of World War I, and was a member of the American Legion. Legion.

Two liquor stills were captured in the Bethel section

of the county. the county jail, 16 summons were issued, one claim of de-livery, three warrants, four capias and one Sci Fa.

# **Paula Smith Attends Event**

Delegate Paula Smith from Craddock High School, Portsmouth, Va. 29th annual con-ference of National Association of Student Councils. Held at Henry Clay High School in Lexington, Ky., on June 20-24, 1965.

The five-day conference was divided into lectures, demonstrations, problem clinics, speeches and discussion groups by students and prominent adults from throughout the nation.

The speakers included such figures as the governor of Kentucky and a Democrat Representative from Indiana Mr. McFarland, a representa-tive of General Motors and other prominent figures of the United States.

They spoke on topics such as the importance of teenagers participating in their local government and the responsibilities that teenagers have to prepare themselves to be leaders of this nation. Demonstrations and discussion groups led by students dealt with student council

munity affairs and foreign Eight hundred delegates attended the conference. They were from every state and represented a variety of opinions and problems. The delegates were housed in private homes in Lexington. Every school belonging to the Neticonal Conference of the Neticon

the National Conference had the opportunity to send a student. The state delegations were carefully picked to represent the teenagers and student leaders of each state.

Paula traveled from Richmond with 10 other delegates from Virginia. They drove through parts of Virginia, North Carolina, Tennessee and Kentucky. Enroute they visited places of interest Chesson. A delicious cold in Abington, Va., and the

the delegates were impressed with the friendliness and beauty of the college town. Besides the regular program of the conference, many social activities were offered to the delegates. These in-cluded a banquet, dance, when White appeared and horse show, southern barbecue and a tour of the famous horse farms and historic points of interest of the Lexington area.

During the conference Paula led a discussion group of 34 students on the topic "Have We Forgotten Any-one?" The problem concernone?" ed the left-out students in school who become disinterested and are potential drop-outs. Her advisor was Miss Elizabeth West, member of the Virginia advisory com-mittee and advisor of the Craddock High School SCA. Paula's qualifications for attending included:

Class representative on the Student Council for three years.

Elected as vice president of Craddock SCA. Experience on various SCA committees such as Honor, School Spirit, Foreign Ex-change and Building and

Delegate to the Tidewater District SCA Conference and the Virginia State Conference. Varsity cheerleader.

Maintains an A academic average in all subjects. She attended the first and second grades at Perquim-ans County Central Gram-mar School and was mascot of the class of 1954 at PCHS. She is the granddaughter of Mrs. Marie S. Elliott and the

## Teachers Plan July Meeting

There will be a meeting Wednesday morning, July 14 at 7:30 P. M. at Perquimans Union School in Winfall and Perquimans High School in Hertford for all adult basic education teachers and their students, according to an announcement made by Roy K. Askew, Extension director of Adult Basic Education Col-

lege of the Albemarle. This will be a registration meeting, and all teachers and their students are requested to be present at whichever of the above schools is most conveniently located for them.

These classes are designed to serve adults' educational needs from the non reader local through the 7th grade level. It is to be desired that all teachers have their 10 students or as many as have thus far been recruited with the mai the meeting.

#### **Quiet Fourth Observed Here**

The glorious Fourth of July was celebrated in quiet and peaceful fashion in Hertford and Perquimans County. Flags lined Church and Market Streets and several homes had their American banners on display.

The town, with stores and business houses closed for the day, was practically de-serted. Those people who stayed away from the more popular beaches spent the day fishing here in the Perquimans River, swimming boating.

The day's greatest activity was in the continuous stream of automobiles that passed through town from dawn until late Monday
