Every Time

Just about the time a fellow thinks he can make both ends meet, someone comes along and moves one end or the other.

He Should
The school visitor was putting questions to a class of boys. He noticed a little fellow with curly black hair. "Do you know the Ten Commandments?" he asked. "No, sir," said the boy. "What! You don't know the Ten Commandments? What's your name?" "Moses," said the boy.
