Clean-up Campaign Is Being Pushed Here By County Chamber

Walter Humphlett, Jr., chairman of the Civic Committee of the Perquimans County Chamber of Commerce urges that the merchants and individuals of Perquimans County make additional efforts to clean-up, paint-up an fix-up during the month of May in accordance with a request of the Governor's Beautification Committee and the proclamation of the Mayor of Hertford.

It is noted in our travels around the county that there are many homes and farms that need to have grass cut as well as accumulations of trash disposed of. In Winfall and Hertford there are many vacant lots and homes that need attention in order to beautify our towns and county.

Those places that are allowed to run down, constitute attractive places to the children of our county and should they be hurt while playing in the dilapidated houses or on the lots which are not properly taken care of, it is just possible that the owners might be subject to law suits with judgment against the property owner.

Mr. Humphlett urges everyone in the county to join in the effort to beautify the town and county and in doing so you will also be protecting yourself.

Memorial Day Safety Urged

Be careful that you don't get as mixed up as the Memorial Day holiday this year and go banging into one of the thousand or more traffic accidents which the N. C. State Motor Club warns may claim the lives of at least 21 persons on North Carolina's streets and highways.

Although it will be business as usual for most companies on Monday, May 29, the state will officially count its holiday highway fatalities from 6 P. M., Friday, May 26, through midnight Tuesday, May 30, a period of 102 hours.

Thus, motorists probably will encounter not one but two separate streams of highway congestion if he heads for the mountains or beaches over the weekend or on the holiday. The 1966 traffic toll for a 78-hour period was 21 killed and 500 injured in 950 accidents reported.

Leading driver violations were: speeding, 178; failure to yield right of way, 133; driving left of center of the road, 120; and following too closely, 78.

"Memorial Day traditionally marks the opening of the summer vacation season," said Thomas B. Watkins, president of the motor club. "This brings increased congestion on the highways and greatly increases the possibilities for accidents. So be alert and considerate to make sure you're not the 'other fellow' who has all those accidents."

Death Claims Mrs. Jarvis

Mrs. Virginia Newbold Jarvis, 82, of 221 Dobb Street, died Sunday morning at 8:15 in the Albemarle Hospital following a long illness. Winslow of Greensboro, Mrs. Charlie Wright of Jarvisburg, Mrs. Charlie Skinner, Sr., of Hertford, and Mrs. Claude Withrow of Emporia, Va.; three brothers, Kenneth Newbold of Bloomfield, N. J., Jere Newbold of Wilmington and Shelton Newbold of Rocky Mount; and five grandchildren.

Funeral services were conducted Wednesday at 3 P. M., in the First Methodist Church by the Rev. R. L. Bame, pastor.

Music was played during the service by Miss Caroline Wright, organist.

The casket will be made of white chrysanthemums, white pom poms, stock, baby's breath and fern.

Perquimans In Play-offs

After having won the Albemarle Conference Championship, Perquimans met Greene Central for the first game of the playoffs on May 16. At times the situation looked bad for the Indians, but it was soon remedied and Perquimans won 2-1.

Tim Riddick was the winning pitcher. Six members of the opposing team were swept away by Tim's throwing ability. Tim kept Greene Central own to four hits and one base on balls.

Perquimans got both of their runs in the first inning when Carl Bateman and Reggie Winslow came in on fielders' choices.

Reggie Winslow led in hitting for the Indians with two singles. Michael Miller got the other hit of the ball game, a single to left field.

With winning over the Greene Central game, Perquimans traveled to Williamston for what they hoped would be a step closer to the state championship. The team played the Pamlico Hurricanes.

The first inning went three up, three down for both sides. Soon the Hurricanes seemed to have gotten to Lindsey Baccus, Indian pitcher. Amidst six hits, four walks and numerous errors, the Pamlico team suddenly found themselves in the lead 9-0. Tim Riddick pitched the remaining four innings. Tim kept the Hurricanes under control, allowing only one hit and one base on balls.

Melvin Eure led in the hitting with two singles. Carl Bateman, Reggie Winslow and Tommy Long also got singles.

Even though the Indians tried to make a comeback, the final score was 10-0 in favor of the Pamlico Hurricanes.

Saturday, May 27 is Poppy Day. Mrs. Lessie White of Winfall and Mrs. Geneva Sawyer of Hertford are co-chairmen of the American Legion Auxiliary Poppy sales in Perquimans County and she is urging all to wear a poppy to show that you remember.

By wearing a memorial poppy on Poppy Day next Saturday, people of Perquimans will be paying tribute to those who gave their lives for America in three wars of this century.

The poppy as the memorial flower for American war dead, is a tradition which began in the years following the first World War. Returning servicemen brought with them memories of the battlefield poppies, and the flower soon took on a sacred significance. The red blossom became the flower of remembrance for the men whose lives had been lost in the defense of freedom.

The flowers, made by disabled servicemen, raised funds for relief work among handicapped veterans and their families.
