**When you look for the most room and the smoothest ride and the best value, you'll end up with a Chevrolet wagon everytime.**

Top left: Chevy II Nova Station Wagon. Foreground: Chevrolet Impala Station Wagon. Top right: Chevelle Malibu Station Wagon.

**Chevrolet Impala, roomiest in its class.** While extra roominess is perhaps the best reason for buying a Chevrolet wagon, consider, also, these bonuses: Body by Fisher, Chevrolet dependability, flush-and-dry rocker panels and Magic-Mirror finish. **Chevelle Malibu, smoother, quieter ride.** A Malibu not only gives you a Full Coil suspension ride, but the body mountings are double-cushioned. And Chevelle carries plenty. It opens wide. 54.6 inches, to be exact, 28.5 inches high. Flip the second seat down and you've got 86 cubic feet of cargo space for all your gear. Chevelle was built to take a lot. **Chevy II Nova, best equipped for the money.** All-vinyl upholstery is standard. Flush-and-dry rocker panels that clean themselves are standard. Separate panels beneath each fender to inhibit rust are standard. Mono-Plate rear suspension to smooth the ride is standard. Price? Below standard.

**See your Chevrolet dealer during his Camaro Pacesetter Sale**
