Swindell Tells Reason Behind Action To Stop Ambulance Service

Marion Swindell of the Swindell Funeral Home has written the people of this county an open letter which appears in this issue of The Perquimans Weekly explaining why the ambulance service will be discontinued.

The requirements in recently passed state law pertaining to ambulance equipment and rate of pay make it prohibitive for the funeral home to continue to provide ambulance service.

Mr. Swindell, being the person that he is, with everyone at heart, has explained in the open letter the situation. He has donated his ambulance and equipment to the newly formed Perquimans Rescue Squad which will provide the service when the funeral homes in Perquimans cease.

Series E and H Bond sales in Perquimans County for the month of July amounted to \$3,979. Combined January-July Bond sales amounted to \$35,000, which is 43.9 per cent of the County's share of the total for the first 7 months of 1967 of \$80,000. According to R. M. Riddick, Perquimans County Chamber Chairman.

Dr. L.P. Williams Cancer Speaker

Stomach cancer, its symptoms and treatment, was the subject of Dr. Polk Williams' talk to the Perquimans County unit of the American Cancer Society at its August meeting in Hertford's Municipal Building Monday night. Following his talk Dr. Williams led an informal discussion and answered questions of the members.

In the business session, a revision of the by-laws, presented by Miss Hulda Wood, committee chairman, was voted upon and accepted.

Special mention was made of the splendid report of the annual Cancer Crusade of the past year. It was the largest amount donated in the history of the organization.

Mrs. Roxanna Jackson, Crusade chairman, is making plans for the next Crusade to be held in October.

Miss Thelma Elliott, outgoing president, stressed the fact that a large per cent of the Crusade money can be used in this county to help cancer patients. It definitely is not connected with the welfare program.

Mrs. Ruth Peterson, field secretary, spoke briefly on the splendid work of the Perquimans County unit and announced a luncheon meeting at the Edenton Restaurant on October 12. This meeting will be for educational purposes, and the public from a 12 county area is invited.

New officers elected for the Perquimans County unit are: President, Richard Morgan; first vice president, J. T. Biggers; second vice president, Mrs. H. C. Sullivan; secretary, Mrs. Irene Meads; treasurer, Mrs. J. S. Steliga.

Scottish Rite Cookout Held

The Perquimans County Scottish Rite Club held a ladies' night cook-out charcoal steak party at the Winslow-Blanchard Motor Company's place of business on Thursday night, August 24, 1967, at 7 o'clock with a total of 46 members and their wives and guests present to do justice to those steaks that were cooked by Cecil E. Winslow and Bob Spivey and assisted by a few others.

Tables and chairs were set up in the show room of the Winslow-Blanchard Motor Company's place, which was very neat and attractive and conveniently arranged, and as soon as the guests had arrived the president of the club, Leon Edwards called on Secretary G. C. Buck to give the invocation, and after which the first batch of grilled steaks was served, along with potato salad, slaw, potato chips, pickles, rolls and ice tea, and before these items were consumed another batch of steaks was served, and then another, until all members and guests had been served. Then came the relaxing period—the welcome talk by President Edwards and also the recognizing of special guests. Five prospective members and their wives were present and recognized. Then came the introduction of the speaker, Carson Spivey, Sr., who in well-chosen words presented Judge W. J. Hutto of Greenville, and who is a 33rd Degree Scottish Rite Mason and a past grand master. He spoke in his own interesting style in a manner on Scottish Rite Masonry which was both inspirational and enlightening.

Miss Gregory Hosts Meeting

On Tuesday, August 22, at 7 o'clock P. M., the 1967-68 Perquimans County High School Health Club met at the home of this year's new president, Shirley Gregory.

The first item of business concerned was that of projects which the Health Club could undertake for the coming year. It was suggested that we carry over our plans for Career Day, helping with the March of Dimes and continue our work with Easter Seals. Working with cancer dressings and maintaining the Candy Strippers program are among our plans. Our new projects include: Favors for hospital trays during holidays, repairing toys for a children's home at Christmas and send delegates to the Health Careers Congress again this year.

Next we suggested ways to raise money. Our first will be through the dues that will be \$1.50 per member for the year and will have to be paid before the first meeting. A second way was to have a fish supper. We also decided to have bake sales, sell Christmas cards and possibly have a womanless wedding.

The third item of business was field trips for the club to take during our new year. Our major field trip goal will be the Medical College of Virginia. Other trips suggested were Obici School of Nursing.
